Services Available in Nebraska to Voters with Special Needs

The State of Nebraska has made groundbreaking efforts to increase ballot accessibility for all voters, including elderly voters, voters with disabilities, voters who do not read or speak English, voters residing in assisted living centers, long-term facilities or who are hospitalized.

- State law provides that all polling places must meet strict accessibility standards.
- If you find it difficult or are unable to vote at your assigned polling place on Election Day, you may choose to vote at a more convenient time and location, such as:
 - voting early in person at the county election office , or
 - applying to have ballots sent to your home, your hospital room, assisted living residence or long-term care address, or
 - by having an agent apply for your ballots and deliver them to you at your home, hospital or long-term care facility.
- If you are in need of assistance in reading or marking your ballot, you may request assistance from election officials, or you may choose a friend to help you vote.
- If you do not understand the language spoken at the polling place or in which the ballot is written, you may use an interpreter at the polling place or place where you are voting.
- If you go to the polling place but are physically unable to enter the polling place, you may remain in your vehicle and vote curbside.
- If you have a hearing impairment, voters may contact the Nebraska Secretary of State's Office TTY at 402-471-7229 for answers to their questions.

Accessible Voting in Nebraska

- The Help America Vote Act requires states to provide voters with a practical and effective means to cast an independent and secret ballot. Voting must be accessible to voters with physical disabilities and must accommodate these disabilities: no vision, low vision, no hearing, low hearing, limited manual dexterity, limited reach, limited strength, no mobility, low mobility or any combination of the foregoing (except the combination of no hearing and no vision).
- Prior to the 2006 statewide elections every polling place in each of Nebraska's 93 counties received an AutoMARK for use by voters with disabilities.

- The AutoMARK uses ballot-marking technology allowing voters with disabilities and other special needs to mark optical scan ballots privately and independently.
- Key features of the AutoMARK™ (<http://www.essvote.com/HTML/products/automark.html>) include:
 - an audio function with headset and earphones allowing voters with impaired vision to listen to choices.
 - a zoom feature enables voters to increase the font size of type for any and all races listed on the optical scan ballot
 - a sip/puff tube for voters who are not able to use the touch screen or touch pad.
 - a multi-language capability ensuring all citizens can exercise their privilege to vote
 - the ability to support casting a vote for write-in candidates

All Polling Places in Nebraska Must Be Accessible

The State of Nebraska has consistently worked with counties and their polling places to comply with ADA (Americans with Disabilities) standards ensuring accessibility to persons who are elderly or physically disabled. The regulations include standards for the parking area, the walkway, the entrance and/or exit; accessing the voting area, the booths and voting area and assistance for voters.

- The parking area must have a level hard-surfaced area with at least one marked van accessible handicap parking stall.
- Curbs next to the main entrances at polling place must have curb-cuts or ADA standard permanent or temporary non-slip ramps.
- An unobstructed 36" wide level walkway free from grates, cracks and overhangs.
- An accessible entrance without steps or ADA approved sloped ramp at least 32" wide with lever hardware or automatic openers.
- Access to the voting area must be at least 36" wide, free of protruding objects free of rugs or mats which alter the level by more than 1/2"
- The voting area must have at least 1 handicap accessible booth and 1 AutoMARK available for voters to use.
