006 Investigation of complaints and finding of probable cause. Investigations of complaints, including matters brought to the Board’s attention without a complaint from the public, shall be for the purpose of determining whether there is probable cause to institute proceedings under 005, “Contested Case,” for violations of the Act, or the Board’s Rules and Regulations.

006.01. The Board may designate one of its members, or any other person of appropriate competence, to serve as its investigating officer to obtain information relative to the complaint.

006.02 Upon completion of his investigation, the investigating officer shall file and report as to his findings with the Board. The investigating officer will recommend that the Board either find probable cause and schedule a contested case or else lack of probable cause and dismiss the complaint. The Board’s determination shall be on the basis of the investigating officer’s report. The report may be returned for further investigation.

006.03 The report of the investigating officer, the testimony, and the documents gathered during the investigation shall be treated as confidential information and as records which may be withheld from the public pursuant to Neb. Rev. Stat. § 84-712.05.

006.04 Upon the findings of probable cause, if the subject of the investigation is the holder of a CPA certificate or a permit to practice, or an inactive registration, the Board shall issue a petition and hold a public hearing on the petition in accordance with Chapter 4 005. If the subject of the investigation is not a holder of a CPA certificate or a permit to practice or an inactive registration, the Board may take appropriate action pursuant to either Section 1-165 or Section 1-166 of the Act; or the Board may, under its own motion, issue a cease and desist order to such offender.

006.05 Disposition may be made of any complaint by stipulation, agreed settlement, or consent order without a finding of probable cause prior to the beginning of a contested case. Such disposition shall be binding on all parties to the complaint.

007 Quality Enhancement Program. The Board may review the professional work of permit holders which is public information on a general and random basis, without any requirement of a complaint or suspicion of impropriety on the part of any particular permit holder.
007.01 There is hereby established a Quality Enhancement Program (“Program”). The purpose of the Program is to improve the quality of financial reporting and to assure that the public can rely on the financial information on which licensees issue reports. The program emphasizes education and rehabilitation rather than disciplinary action. Appropriate educational programs or procedures will ordinarily be recommended or required where reporting does not comply with appropriate professional standards. However, when a licensee is unwilling or unable to comply with such standards, or a licensee’s professional work is so egregious as to warrant disciplinary action, such action may be reported as the appropriate means of protecting the public interest.

007.02 The Board will annually appoint a Quality Review Committee (hereinafter the “Committee”) to assist in the implementation and administration of the Program. The Committee will consist of no fewer than seven members which will include a member of the State Board who will serve as liaison between the State Board and the Committee and one accounting educator selected by the State Board from the faculty of an accredited Nebraska College or University and who possesses a valid Nebraska CPA certificate. The remaining members of the Committee shall be filled by appointment of the State Board and must be holders of certificates and currently valid Nebraska permits to practice public accountancy issued under Section 1-136.02 of the Act and shall, to the extent practical, represent a cross-section of the different sized firms in the state. The Committee’s responsibilities will include:

007.02A Developing procedures for the internal operation of the Committee;

007.02B Developing criteria for assignment of reviewers to specific tasks taking into account such factors as geographic location, size of firm, technical skill requirements, and such other criteria as the Board determines appropriate;

007.02C Assisting the Board in the selection and training of reviewers;

007.02D Developing and recommending to the Board a system for selection of reports to be reviewed and for the review of supporting work papers following a substandard report review;

007.02E Evaluating the findings of the reviewers and making reports and recommendations to the Board;

007.02F Compiling and reporting to the Board statistics on the impact and effect of the Program;

007.02G Considering such other matters and performing such other duties regarding the Program as may be assigned to it by the Board from time to time.

007.03 Each practice unit seeking renewal of a permit to practice under Section 1-136.01 of the Act shall furnish in connection with its application, with respect to each office maintained by the applicant and practicing public accountancy in this State, one copy of each of the following kinds of reports issued by the office during the twelve month period next preceding the date of application, if any report of such kind was issued during such period:

007.03A A compilation report;
007.03B A review report; and

007.03C An audit report.

007.04 The Board may exempt from the requirements of the Program any practice unit which within the three years immediately preceding the application has been subjected to a peer review at least consistent with the requirements of these rules; provided, that a copy of the report of such peer review, including, at the Board's request, any letters of comment and responses from the practice unit or firm to such letters of comment, is submitted with the permit renewal application.

007.04A Any documents submitted in accordance with the Program may have the name of the client, the client's address, and other identifying factors omitted, provided that the omission does not render the type or nature of the enterprise undeterminable. For example, the client name, address, or federal identification number may be omitted but reference to the type of organization, such as, financial institutions, school districts, hospital, etc., may not be omitted.

007.04B The Committee may also solicit for review financial statements and related reports of licensees from public agencies, banks, and other users of financial statements.

007.04C The identities of the sources of financial statements and reports received by the Board or the Committee from other than the licensees who issued the reports shall be preserved in confidence. Reports submitted to the Committee pursuant to the Program and comments of reviewers, the Committee and the Board on such reports or work papers relating thereto, shall also be preserved in confidence except to the extent that they are communicated by the Board to the licensees who issued the reports.

007.04D The Committee shall annually review approximately one-third of the reports submitted in accordance with subsection 007.03, and in addition such reports as it receives pursuant to subsection 007.04B and such reports as may be referred to it by the Board.

007.04E The Committee shall determine, with respect to each report that it reviews,

007.04E1 Whether the report is or is not in general conformity with applicable professional standards;

007.04E2 If not, in what respects the report is deemed substandard or seriously questionable; and

007.04E3 Any recommendations it may have concerning possible improvement of the quality of the report;

007.04E4 and it shall report its determinations and recommendations to the Board of Public Accountancy.
007.04F If the Committee reports to the Board that a report is substandard or seriously questionable pursuant to subsection 007.04E2, the Board may direct that a review of the workpapers be conducted by a reviewer. The review of the workpapers under this section shall be conducted by a person other than the person who performed the original review of the report. The findings of any such review of the workpapers shall be transmitted directly to the Board. The cost of any workpaper review shall be borne by such licensee.

007.04G The Board shall review the determinations and recommendations regarding reviews of reports by the Committee pursuant to 007.03; and in any case where the Committee has determined, and the Board concurs, that a report is in general conformity with applicable professional standards, the Board shall forward the Committee’s determination and recommendations, if any, to the person in charge of the office which submitted the report.

007.04H If the Board determines that a report referred to the Board by the Committee is substandard or seriously questionable with respect to applicable professional standards, the Board may take any one or more of the following actions:

007.04H1 The Board may submit to the licensee firm a letter of comment detailing the perceived deficiencies noted in connection with the review and requiring the licensee to develop a set of planned control procedures to insure that similar occurrences will not be present in the future. A written response from the licensee firm will be required within 30 days of the mailing of the Board’s letter and will be subject to follow-up review by the Board.

007.04H2 The Board may require any individual licensee who had responsibility for issuance of the report or who substantially participated in preparation of the report and/or the related workpapers to complete successfully specific courses or types of continuing education as specified by the Board. The cost of any course or courses shall be borne by such licensee.

007.04H3 The Board may require that the office responsible for the substandard report submit all or specified categories of its reports to a pre-issuance review in a manner and for a duration prescribed by the Board.

007.04H4 The Board may require the office or the licensee firm responsible for the substandard report to submit to a peer review pursuant to these rules.

007.04H5 If it appears that the professional conduct reflected in the substandard report is so serious as to warrant consideration of possible disciplinary action, the Board may initiate an investigation pursuant to the laws of the State of Nebraska.
007.05 The Program shall terminate December 31, 2016 and section 007 of these rules is repealed as of that date.

008 Adoption of Rules

008.01 Any interested person may petition the Board requesting the promulgation, amendment, or repeal of any rule. Such petition shall be submitted in written form and shall give the specific language of the petitioner’s proposal.

008.02 No rule shall be adopted, amended, or repealed by the Board except at a public hearing held during a regularly scheduled meeting of the Board.

008.03 Notice of such public hearing shall be given at least thirty days prior to the hearing and in accordance with the notice for the open meeting of the Board at which the adoption, amendment, or repeal of such rule is to be considered.
