Confidential information means information protected as privileged under applicable law.

Consumer means a person receiving health or health-related services or environmental services and includes a patient, client, resident, customer, or person with a similar designation.

Continuing education means the offering of instruction or information to license holders for the purpose of maintaining skills necessary to the safe and competent practice of respiratory care. Continuing education may be offered under such names as "scientific school", "clinic", "forum", "lecture", or "educational seminar".

Conviction means a plea or verdict of guilty or a conviction following a plea of nolo contendere or non vult contendere made to a formal criminal charge, or a judicial finding of guilt irrespective of the pronouncement of judgment or the suspension thereof, and includes instances in which the imposition or the execution of sentence is suspended following a judicial finding of guilt and the defendant is placed on probation.

Course of study means a program of instruction necessary to obtain a credential meeting the requirements set out for each profession in the appropriate practice act and rules and regulations and includes a college, a professional school, a vocational school, hours of training, or a program of instruction with a similar designation.

Credential means a license, certificate, or registration.

Department means the Division of Public Health of the Department of Health and Human Services.

Dependence means a maladaptive pattern of alcohol or substance use, leading to clinically significant impairment or distress, as manifested by three or more of the following occurring at any time in the same 12-month period:

1. Tolerance as defined by either of the following:
 - a. A need for markedly increased amounts of alcohol or the substance to achieve intoxication or desired effect; or
 - b. A markedly diminished effect with continued use of the same amount of alcohol or the substance;
2. Withdrawal as manifested by either of the following:
 - a. The characteristic withdrawal syndrome for alcohol or the substance as referred to in the Diagnostic and Statistical Manual of Mental Disorders, Fourth Edition, published by the American Psychiatric Association; or
 - b. Alcohol or the same substance or a closely related substance is taken to relieve or avoid withdrawal symptoms;
3. Alcohol or the substance is often taken in larger amounts or over a longer period than was intended;
4. A persistent desire or unsuccessful efforts to cut down or control alcohol or substance use;
5. A great deal of time is spent in activities necessary to obtain alcohol or the substance, to use alcohol or the substance; or to recover from the effects of use of alcohol or the substance;
6. Important social, occupational, or recreational activities are given up or reduced because of alcohol or substance use; or

7. Alcohol or substance use continues despite knowledge of having had a persistent or recurrent physical or psychological problem that was likely to have been caused or exacerbated by alcohol or the substance.

Director means the Director of Public Health of the Division of Public Health or his/her designee.

Inactive credential means a credential which the credential holder has voluntarily placed on inactive status and by which action has terminated the right to practice or represent him/herself as having an active credential.

License means an authorization issued by the Department to an individual to engage in a profession or to a business to provide services which would otherwise be unlawful in this state in the absence of such authorization.

Licensure examination means the National Board for Respiratory Care Certified Respiratory Therapist (CRT) Examination or the Registered Respiratory Therapist (RRT) Examination approved by the Department on the recommendation of the Board.

Military service means full-time duty in the active military service of the United States, a National Guard call to active service for more than 30 consecutive days, or active service as a commissioned officer of the Public Health Service or the National Oceanic and Atmospheric Administration. Military service may also include any period during which a servicemember is absent from duty on account of sickness, wounds, leave, or other lawful cause. (From the Servicemembers Civil Relief Act, 50 U.S.C. App. 501 et seq., as it existed on January 1, 2007.)

 - (d) The score attained on the examination;
 - (e) Date of the examination;
 - (f) Name of accredited program from which the applicant graduated;
 - (g) The nature of disciplinary actions, if any, taken against the applicant's credential.
 - (2) The applicant must request that the certification from another jurisdiction be sent directly to the Department from the appropriate State Board office; and
 - (3) The applicant must:
 - (a) Attest whether s/he is practicing at the time of application; and
 - (b) Provide the dates and locations of practice; and
 - h. Documentation of continuing competency if s/he meets the conditions listed in 172 NAC 162-003.01B item 1: Submit certificates of attendance verifying the 60 hours of continuing education.
 - i. Documentation of continuing competency if licensed in another jurisdiction but not practicing: Submit certificates of attendance verifying the 20 hours of continuing education pursuant to 172 NAC 162-003.01B item 2.
3. Fee: The applicant must submit the required license fee along with the application and all required documentation.

162-003.02A Prorated Fee: When a credential will expire within 180 days after its initial issuance date and the initial credentialing fee is \$25 or more, the Department will collect \$25 or one-fourth of the initial credentialing fee, whichever is greater, for the initial credential, and the credential will be valid until the next subsequent renewal date.

162-003.03 Department Review: The Department will act within 150 days upon all completed applications for initial credentialing.

162-003.04 Denial of Initial Credential: If an applicant for an initial credential does not meet all of the requirements for a credential, the Department will deny issuance of a credential. If the applicant is found to have committed any act which would be grounds for denial of a credential as listed in 172 NAC 162-008.01, the Department may deny issuance of a

credential. To deny a credential, the Department will notify the applicant in writing of the denial and the reasons for the determination. The denial will become final 30 days after mailing the notice unless the applicant, within that 30-day period, requests a hearing in writing. The hearing will be conducted in accordance with the Administrative Procedure Act and 184 NAC 1, the Department's Rules of Practice and Procedure for Administrative Hearings.

162-003.05 Withdrawn Applications: An applicant for a credential who withdraws his/her application or whose application is rejected by the Department will be allowed the return of his/her fee, except for a \$25 administrative fee to be retained by the Department.

162-003.06 Practice Prior to Credential: An individual who practices prior to issuance of a credential is subject to assessment of an administrative penalty pursuant to 172 NAC 162-011 or such other action as provided in the statutes and regulations governing the credential.

162-003.07 Confidentiality: Social Security Numbers obtained under this section are not public information but may be shared by the Department for administrative purposes if necessary and only under appropriate circumstances to ensure against any unauthorized access to this information.

162-003.08 Address Information: Each credential holder must notify the Department of any change to the address of record.

162-003.09 Non-English Documents: Any documents written in a language other than English must be accompanied by a complete translation into the English language. The translation must be an original document and contain the notarized signature of the translator. An individual may not translate his/her own documents.

162-004 EXAMINATION ELIGIBILITY: An applicant is eligible to take the licensure examination if s/he meets the educational requirements pursuant to 172 NAC 162-003.01A item 3.

162-005 EXEMPTION FROM LICENSURE: A registered polysomnographic technologist may perform oxygen therapy or the initiation of noninvasive positive pressure ventilation relating to the study of sleep disorders, without obtaining a respiratory care license. These procedures may only be performed or initiated under the supervision of a licensed physician at a facility accredited by the American Academy of Sleep Medicine. A registered polysomnographic technologist means a person who is registered by the Board of Registered Polysomnographic Technologists, certified by the National Commission of Certifying Agencies.

162-006 CONTINUING COMPETENCY REQUIREMENTS: Each person holding an active Nebraska credential must, on or before the date of expiration of the credential, comply with the continuing competency requirements for his/her profession, unless the requirements are waived in accordance with 172 NAC 162-007.03 and 172 NAC 162-007.04. Each credentialed individual is responsible for maintaining certificates or records of continuing competency activities.

162-006.01 Continuing Competency Requirements: On or before June 1, of each even numbered year, each respiratory care practitioner who is holding an active credential must:

- e. Conviction Information: If the applicant has been convicted of a felony or misdemeanor since his/her last renewal or during the time period since initial credentialing if such occurred within the previous two years, the applicant must submit to the Department:
- (1) A list of any misdemeanor or felony convictions;
 - (2) A copy of the court record, which includes charges and disposition;
 - (3) Explanation from the applicant of the events leading to the conviction (what, when, where, why) and a summary of actions the applicant has taken to address the behaviors/actions related to the convictions;
 - (4) All addiction/mental health evaluations and proof of treatment, if the conviction involved a drug and/or alcohol related offense and if treatment was obtained and/or required;
 - (5) A letter from the probation officer addressing probationary conditions and current status, if the applicant is currently on probation; and

(6) Any other information as requested by the Board/Department;

3. The renewal fee according to 172 NAC 2.

162-007.03 Waivers for Military Service: A credential holder who has served in the regular armed forces of the United States during part of the credentialing period immediately preceding the renewal date, or is actively engaged in military service as defined in 172 NAC 162-002 is not required to pay the renewal fee or to meet the continuing competency requirements if acceptable documentation is submitted to the Department. The individual must document his/her military service by submitting to the Department:

1. Military identification proving that s/he is in active service;
2. Military orders; or
3. A letter from his/her Commanding Officer indicating that s/he is on active duty.

Upon receipt of acceptable documentation, the Department will waive the fee and the continuing competency requirements and renew the credential. The credential will remain active until the next renewal period.

162.007.04 Waiver of Continuing Competency Requirements: The Department waives continuing competency requirements for individuals who were first credentialed within the 24-month period immediately preceding the renewal date.

162-007.04A The Department may waive continuing competency requirements, in whole or in part, upon submission by a credential holder of documentation that circumstances beyond his/her control have prevented completion of these requirements. These circumstances may include:

1. If the licensee has suffered from a serious or disabling illness or physical disability which prevented completion of the required number of hours of continuing competency requirements during the 24 months preceding the license renewal date, s/he must submit a statement from a treating physician(s) stating that the licensee was injured or ill, the duration of the illness or injury and of the recovery period, and that the licensee was unable to obtain continuing competency requirements during that period; and
2. Other circumstances beyond the licensee's control prevented completion of the continuing competency requirements.

162-007.05 Audit of Continuing Competency Requirements: The Department or the Board may biennially select, in a random manner, a sample of the renewal applications for audit of continuing competency requirements. Each credential holder selected for audit must produce documentation of the continuing competency activities.

162-007.05A The Department will notify each selected credential holder by mail. Failure to notify the Department of a current mailing address will not absolve the credential holder from the requirement for audit.

162-007.05B Within 30 days, each selected credential holder must respond by submitting documentation that s/he has met the requirements for continuing competency. An extension beyond 30 days for submission of the documentation may be granted at the discretion of the Department. Documentation submitted by the credential holder will not be returned.

162-007.05C Acceptable documentation that the credential holder has met the continuing competency requirements include:

1. Course outline;
2. Brochure of course; and
3. Statement of instructor's qualification to teach the course, unless the qualifications are included in the brochure.

162-007.05D The Department/Board will review the submitted documentation to determine if the credential holder has met the requirements for continuing competency activities for renewal of the credential. Only documented activities/hours that meet the continuing competency requirements will be counted toward the total requirements for renewal.

162-007.05E The Department will notify the credential holder upon satisfactory completion of the audit.

162-007.05F The credential of any person who fails to comply with the conditions of the audit will expire 30 days after notice and an opportunity for a hearing.

162-007.05G The Board reserves the right to audit continuing competency requirements of any credential holder by notifying the credential holder and requesting that s/he produce the required documentation of attendance at or participation in acceptable continuing competency programs within 30 days of mailing.

162-007.06 Department Review: The Department will act within 150 days upon all completed applications for renewal.

162-007.06A False Information: The Department may refuse to renew a credential for falsification of any information submitted for renewal of a credential. The refusal will be made according to 184 NAC 1, the Department's Rules of Practice and Procedure for Administrative Hearings.

162-007.07 Address Information: Each credential holder must notify the Department of any change to the address of record.

162-007.08 Expiration of a Credential: A credential expires if a credential holder fails to:

1. Notify the Department that s/he wants to place his/her credential on inactive status upon its expiration;
2. Meet the requirements for renewal on or before the date of expiration of his/her credential; or
3. Otherwise fails to renew his/her credential.

162-007.08A Failure to Renew: A credential automatically expires without further notice or opportunity for hearing if a credential holder fails by the expiration date of the credential to:

1. Submit documentation of continuing competency; or
2. Pay the required renewal fee.

162-007.08B Failure to Meet Continuing Competency Requirements: The Department will refuse to renew a credential, after notice and opportunity for hearing, if a credential holder fails to meet the continuing competency requirements for renewal by the expiration date of the credential.

162-007.08C Right to Practice: When an individual's credential expires, the right to represent him/herself as a credential holder and to practice respiratory care terminates.

162-007.08D Practice After Expiration: An individual who practices after expiration of his/her credential is subject to assessment of an administrative penalty under 172 NAC 162-011 or such other action as provided in the statutes and regulations governing the credential.

162-007.08E Reinstatement of an Expired Credential: If a credential holder wants to resume the practice of respiratory care after failing to renew his/her credential by the expiration date, s/he must apply to the Department for reinstatement as specified in 172 NAC 162-010.

162-007.09 Inactive Status: When an individual wants to have his/her credential placed on inactive status, s/he must notify the Department in writing. There is no fee to have a credential placed on inactive status and continuing competency is not required.

162-007.09A Request for Inactive Status: When the Department has received notification that an individual wants to have his/her credential placed on inactive status, the Department will notify the credential holder in writing of the acceptance or denial of the request.

162-007.09B Placement on Inactive Status: When an individual's credential is placed on inactive status, the credential holder must not engage in the practice of respiratory care, but may represent him/herself as having an inactive credential.

162-007.09C Return to Active Status: A credential may remain on inactive status for an indefinite period of time. An individual who wants to have his/her credential returned to active status must apply to the Department for reinstatement and meet the requirements specified in 172 NAC 162-010.

162-008 DISCIPLINARY ACTIONS

162-008.01 Grounds for Action Against a Credential: A credential to practice a profession may have disciplinary actions taken against it on any of the following grounds:

1. Misrepresentation of material facts in procuring or attempting to procure a credential;
2. Immoral or dishonorable conduct evidencing unfitness to practice the profession in this state;
3. Abuse of, dependence on, or active addiction to alcohol, any controlled substance, or any mind-altering substance;
4. Failure to comply with a treatment program or an aftercare program, including, but not limited to, a program entered into under the Licensee Assistance Program established pursuant to Neb. Rev. Stat. § 38-175;
5. Conviction of:
 - a. A misdemeanor or felony under Nebraska law or federal law, or
 - b. A crime in any jurisdiction which, if committed within this state, would have constituted a misdemeanor or felony under Nebraska law and which has a rational connection with the fitness or capacity of the applicant or credential holder to practice the profession;
6. Practice of the profession:
 - a. Fraudulently;
 - b. Beyond its authorized scope;
 - c. With gross incompetence or gross negligence; or
 - d. In a pattern of incompetent or negligent conduct;
7. Practice of the profession while the ability to practice is impaired by alcohol, controlled substances, drugs, mind-altering substances, physical disability, mental disability, or emotional disability;
8. Physical or mental incapacity to practice the profession as evidenced by a legal judgment or a determination by other lawful means;
9. Illness, deterioration, or disability that impairs the ability to practice the profession;
10. Permitting, aiding, or abetting the practice of a profession or the performance of activities requiring a credential by a person not credentialed to do so;
11. Having had his/her credential denied, refused renewal, limited, suspended, revoked, or disciplined in any manner similar to 172 NAC 162-008.05 by another state or jurisdiction based upon acts by the applicant or credential holder similar to acts described in this part;
12. Use of untruthful, deceptive, or misleading statements in advertisements;
13. Conviction of fraudulent or misleading advertising or conviction of a violation of the Uniform Deceptive Trade Practices Act;
14. Distribution of intoxicating liquors, controlled substances, or drugs for any other than lawful purposes;
15. Violations of the Uniform Credentialing Act or the rules and regulations relating to the particular profession;
16. Unlawful invasion of the field of practice of any profession regulated by the Uniform Credentialing Act which the credential holder is not credentialed to practice;
17. Violation of the Uniform Controlled Substances Act or any rules and regulations adopted pursuant to the act;
18. Failure to file a report required by Neb. Rev. Stat. §§ 38-1,124 or 38-1,125;
19. Failure to maintain the requirements necessary to obtain a credential;
20. Violation of an order issued by the Department;
21. Violation of an assurance of compliance entered into under Neb. Rev. Stat. §

- 38-1,108;
22. Failure to pay an administrative penalty;
 23. Unprofessional conduct as defined in 172 NAC 162-008.02; or
 24. Violation of the Automated Medication Systems Act.

162-008.02 Unprofessional Conduct: Unprofessional conduct means any departure from or failure to conform to the standards of acceptable and prevailing practice of a profession or the ethics of the profession, regardless of whether a person, consumer, or entity is injured, but does not include a single act of ordinary negligence. Unprofessional conduct also means conduct that is likely to deceive or defraud the public or is detrimental to the public interest. Unprofessional conduct includes but is not limited to:

1. Receipt of fees on the assurance that an incurable disease can be permanently cured;
2. Division of fees, or agreeing to split or divide the fees, received for professional services with any person for bringing or referring a consumer other than:
 - a. With a partner or employee of the applicant or credential holder or his/her office or clinic;
 - b. With a landlord of the applicant or credential holder pursuant to a written agreement that provides for payment of rent based on gross receipts;
 - c. With a former partner or employee of the applicant or credential holder based on a retirement plan or separation agreement; or
 - d. By a person credentialed pursuant to the Water Well Standards and Contractors' Practice Act.
3. Obtaining any fee for professional services by fraud, deceit, or misrepresentation, including, but not limited to, falsification of third-party claim documents;
4. Cheating on or attempting to subvert the credentialing examination;
5. Assisting in the care or treatment of a consumer without the consent of the consumer or his/her legal representative;
6. Use of any letters, words, or terms, either as a prefix, affix, or suffix, on stationery, in advertisements, or otherwise, indicating that the person is entitled to practice a profession for which s/he is not credentialed;
7. Performing, procuring, or aiding and abetting in the performance or procurement of a criminal abortion;
8. Knowingly disclosing confidential information except as otherwise permitted by law;
9. Commission of any act of sexual abuse, misconduct, or exploitation related to the practice of the profession of the applicant or credential holder;
10. Failure to keep and maintain adequate records of treatment or service;
11. Prescribing, administering, distributing, dispensing, giving, or selling any controlled substance or other drug recognized as addictive or dangerous for other than a medically accepted therapeutic purpose;
12. Prescribing any controlled substance to:
 - a. Oneself; or
 - b. Except in the case of a medical emergency;
 - (1) One's spouse;
 - (2) One's child;

- (3) One's parent;
 - (4) One's sibling; or
 - (5) Any other person living in the same household as the prescriber;
13. Failure to comply with any federal, state, or municipal law, ordinance, rule, or regulation that pertains to the applicable profession;
14. Disruptive behavior, whether verbal or physical, which interferes with consumer care or could reasonably be expected to interfere with the care; and
15. The following acts which include but are not limited to:
 - a. Competence:
 - (1) A respiratory care practitioner must not provide services for which s/he is not trained or experienced;
 - (2) Encouraging or promoting respiratory care by untrained or unqualified persons; and
 - (3) Committing any act which endangers patient safety or welfare.
 - b. Confidentiality: A respiratory care practitioner must hold in confidence information obtained from a patient, except in those unusual circumstances in which to do so would result in clear danger to the person or to others, or where otherwise required by law.
 - c. Professional Relationships: A respiratory care practitioner must safeguard the welfare of patients and maintain appropriate professional relationships with patients. Commission of any of the following acts or behavior constitutes unprofessional conduct:
 - (1) Improper use of another person for one's own advantage;
 - (2) Failure to decline to carry out respiratory care services that have been requested when the services are known to be contraindicated or unjustified;
 - (3) Failure to decline to carry out procedures that have been requested when such services are known to be outside of the respiratory care practitioner's scope of practice;
 - (4) Verbally or physically abusing patients;
 - (5) Falsification or unauthorized destruction of patient records;
 - (6) Attempting to provide diagnostic or treatment information to patient(s) that is beyond the respiratory care practitioner's level of training and expertise;
 - (7) Delegating to other personnel those patient related services when the clinical skills and expertise of a respiratory care practitioner is required.
 - d. Sexual Harassment: A respiratory care practitioner must not under any circumstances engage in sexual harassment of patients or co-workers.
 - (1) Sexual Harassment includes making unwelcome sexual advances, requesting sexual favors, and engaging in other verbal or physical conduct of a sexual nature as a condition of:
 - (a) The provision or denial of respiratory care to a patient;
 - (b) The provision or denial of employment or employment advances to a co-worker;

- (c) For the purpose or effect of creating an intimidating, hostile, or offensive environment for the patient or unreasonably interfering with a patient's ability to recover; or
- (d) For the purpose or effect of creating an intimidating, hostile, or offensive working environment or unreasonably interfering with the co-worker's ability to perform his/her work;
- e. Obtaining any fee for professional services by fraud, deceit, or misrepresentation;
- f. Violating an assurance of compliance entered into under Neb. Rev. Stat. §38-1,108;
- g. Failure to follow policies or procedures implemented in the practice situation to safeguard patient care;
- h. Failure to safeguard the patient's dignity and right to privacy;
- i. Failure to exercise appropriate supervision over persons who are authorized to practice only under the supervision of the licensed professional; and
- j. Practicing respiratory care in this state without a current Nebraska license; or
- k. Failure of a licensee, who is the subject of a disciplinary investigation, to furnish the Board or its investigator with requested information or requested documents.

162-008.03 Temporary Suspension or Limitation

162-008.03A The Department may temporarily suspend or temporarily limit any credential issued by the Department without notice or a hearing if the Director determines that there is reasonable cause to believe that grounds exist under 172 NAC 162-008.01 for the revocation, suspension, or limitation of the credential and that the credential holder's continuation in practice or operation would constitute an imminent danger to the public health and safety. Simultaneously with the action, the Department will institute proceedings for a hearing on the grounds for revocation, suspension, or limitation of the credential. The hearing will be held no later than 15 days from the date of the temporary suspension or temporary limitation of the credential.

162-008.03B A continuance of the hearing will be granted by the Department upon the written request of the credential holder, and the continuance must not exceed 30 days unless waived by the credential holder. A temporary suspension or temporary limitation order by the Director will take effect when served upon the credential holder.

162-008.03C A temporary suspension or temporary limitation of a credential under 172 NAC 162-008.03 will not be in effect for more than 90 days unless waived by the credential holder. If a decision is not reached within 90 days, the credential will be reinstated unless and until the Department reaches a decision to revoke, suspend, or limit the credential or otherwise discipline the credential holder.

162-008.04 Department Action: The Department will follow the procedures delineated in the Uniform Credentialing Act to notify credential holders of any disciplinary action to be imposed and the time and place of the hearing.

162-008.05 Sanctions: Upon the completion of any hearing held regarding discipline of a credential, the Director may dismiss the action or impose the following sanctions:

1. Censure;
2. Probation;
3. Limitation;
4. Civil Penalty;
5. Suspension; or
6. Revocation.

162-008.05A Additional Terms and Conditions of Discipline: If any discipline is imposed pursuant to 172 NAC 162-008.05, the Director may, in addition to any other terms and conditions of that discipline:

1. Require the credential holder to obtain additional professional training and to pass an examination upon the completion of the training. The examination may be written or oral or both and may be a practical or clinical examination or both or any or all of the combinations of written, oral, practical, and clinical, at the option of the Director;
2. Require the credential holder to submit to a complete diagnostic examination by one or more physicians or other qualified professionals appointed by the Director. If the Director requires the credential holder to submit to an examination, the Director will receive and consider any other report of a complete diagnostic examination given by one or more physicians or other qualified professionals of the credential holder's choice if the credential holder chooses to make available the report or reports by his/her physician or physicians or other qualified professionals; and
3. Limit the extent, scope, or type of practice of the credential holder.

162-009 VOLUNTARY SURRENDER OR LIMITATION: A credential holder may offer to voluntarily surrender or limit a credential issued by the Department. The credential holder must make the offer in writing on a form provided by the Department or constructed by the credential holder, which must include the following information:

1. Personal Information:
 - a. First, middle and last name;
 - b. Mailing address (street, rural route, or post office address), city, state, and zip code;
 - c. Telephone number; and
 - d. Fax number.
2. Information Regarding the Credential Being Offered for Surrender or Limitation:
 - a. List credential(s) and credential number(s) that would be surrendered or limited;
 - b. Indicate the desired time frame for offered surrender or limitation:
 - (1) Permanently;
 - (2) Indefinitely; or

- (3) Definite period of time (specify);
 - c. Specify reason for offered surrender or limit of credential; and
 - d. Specify any terms and conditions that the credential holder wishes to have the Department consider and apply to the offer.
3. Attestation: The credential holder must:
- a. Attest that all the information on the offer is true and complete; and
 - b. Provide the credential holder's signature and date.

162-009.01 The Department may accept an offer of voluntary surrender or limitation of a credential based on:

- 1. An offer made by the credential holder on his/her own volition;
- 2. An offer made with the agreement of the Attorney General or the legal counsel of the Department to resolve a pending disciplinary matter;
- 3. A decision by the Attorney General to negotiate a voluntary surrender or limitation in lieu of filing a petition for disciplinary action; or
- 4. A decision by the legal counsel of the Department to negotiate a voluntary surrender or limitation in response to a notice of disciplinary action.

162-009.02 The Department may reject an offer of voluntary surrender of a credential under circumstances which include, but are not limited to, when the credential:

- 1. Is under investigation;
- 2. Has a disciplinary action pending but a disposition has not been rendered; or
- 3. Has had a disciplinary action taken against it.

162-009.03 When the Department either accepts or rejects an offer of voluntary surrender or limitation, the Director will issue the decision in a written order. The order will be issued within 30 days after receipt of the offer of voluntary surrender or limitation and will specify:

- 1. Whether the Department accepts or rejects the offer of voluntary surrender; and
- 2. The terms and conditions under which the voluntary surrender is accepted or the basis for the rejection of an offer of voluntary surrender. The terms and conditions governing the acceptance of a voluntary surrender will include, but not be limited to:
 - a. Duration of the surrender;
 - b. Whether the credential holder may apply to have the credential reinstated; and
 - c. Any terms and conditions for reinstatement.

162-009.04 A limitation may be placed on the right of the credential holder to practice a profession or operate a business to the extent, for the time, and under the conditions as imposed by the Director.

162-009.05 Violation of any of the terms and conditions of a voluntary surrender or limitation by the credential holder will be due cause for the refusal of renewal of the credential, for the suspension or revocation of the credential, or for refusal to restore the credential.

162-009.06 Reinstatement following voluntary surrender is set out in 172 NAC 162-010.

162-010 REINSTATEMENT: This section applies to individuals previously credentialed in Nebraska who seek the authority to return to practice in Nebraska with a valid Nebraska credential. Individuals may apply for reinstatement as follows:

1. An individual whose credential has expired, been placed on inactive status, voluntarily surrendered for an indefinite period of time, or suspended or limited for disciplinary reasons, may apply for reinstatement at any time.
2. An individual whose credential has been voluntarily surrendered for a definite period of time may apply for reinstatement after that period of time has elapsed.
3. An individual whose credential has been revoked may apply for reinstatement only after a period of two years has elapsed from the date of revocation.
4. An individual whose credential has been permanently voluntarily surrendered may not apply for reinstatement.

The voluntary surrender of a credential may be unrelated to disciplinary matters, or may be done to resolve a pending disciplinary matter, in lieu of disciplinary action, or in response to a notice of disciplinary action.

162-010.01 Reinstatement From Expired or Inactive Status or Following Voluntary Surrender Unrelated to a Disciplinary Matter

The applicant must submit to the Department a written application on a form provided by the Department or constructed by the applicant.

162-010.03A The Board will make a recommendation regarding reinstatement following suspension, limitation, revocation, or voluntary surrender within 180 days of receipt of the application.

162-010.03B The Department, with the recommendation of the Board, may:

1. Conduct an investigation to determine if the applicant has committed acts or offenses prohibited by Neb. Rev. Stat. § 38-178;
2. Require the applicant to submit to a complete diagnostic examination, at the expense of the applicant, by one or more physician(s) or other professionals appointed by the Board. The applicant may also consult a physician(s) or other professionals of his/her own choice for a complete diagnostic examination and make available a report(s) of the examination(s) to the Department and to the Board;
3. Require the applicant to pass a written, oral, or practical examination or any combination of examinations at the expense of the applicant;
4. Require the applicant to successfully complete additional education at the expense of the applicant;
5. Require the applicant to successfully pass an inspection of his/her practice site; or
6. Take any combination of these actions.

162-010.03C On the basis of the written application, materials submitted by the applicant, and the information obtained under 172 NAC 162-010.03B, the Board may:

1. Deny the application for reinstatement; or
2. Recommend to the Department:
 - a. Full reinstatement of the credential;
 - b. Modification of the suspension or limitation; or
 - c. Reinstatement subject to limitations or subject to probation with terms and conditions.

If the applicant has practiced while his/her credential was suspended, limited, revoked, or voluntarily surrendered, the Department may assess an administrative penalty pursuant to 172 NAC 162-011, in which case a separate notice of opportunity for hearing will be sent to the applicant.

162-010.03D An affirmative vote of a majority of the full membership of the Board as authorized by statute is required to recommend reinstatement of a credential with or without terms, conditions, or restrictions.

162-010.03E Full Reinstatement: If the Board recommends full reinstatement of the credential, modification of the suspension or limitation, or reinstatement of the credential subject to limitations or subject to probation with terms and conditions, the Board's recommendation will be sent to the applicant by certified mail. The following information will be forwarded to the Director for a decision:

1. The written recommendation of the Board, including any finding of fact or order of the Board;
2. The application for reinstatement;
3. The record of hearing, if any; and
4. Any pleadings, motions, requests, preliminary or intermediate rulings and orders, and similar correspondence to or from the Board and the applicant.

162-010.03F Denial, Modification, Limitation, or Probation: If the Board's initial decision is to deny the application for reinstatement, recommend modifications of the suspension or limitation, or reinstate the credential subject to limitation or probation with terms and conditions, notification of the Board's decision will be mailed to the applicant by certified mail.

1. The initial decision or recommendation of the Board will become final 30 days after the decision or recommendation is mailed to the applicant unless the applicant requests a hearing within that 30-day period.
 - a. If the applicant requests a hearing before the Board, the Department will mail a notice of the date, time, and location of the hearing. The notice will be sent by certified mail at least 30 days before the hearing.
 - b. Following the hearing, the Board may deny the reinstatement or recommend full reinstatement of the credential, or recommend modification of the suspension or limitation, or recommend reinstatement of the credential subject to limitations or probation with terms and conditions.
2. If the applicant has been afforded a hearing or an opportunity for a hearing on an application for reinstatement within two years before filing the current application, the Department may grant or deny the application without another hearing before the Board.

162-010.0G Denial Decision: If the Board's final decision is denial of the application for reinstatement, the applicant will be notified by certified mail. The applicant may appeal the Board's denial to District Court in accordance with the Administrative Procedure Act.

162-008.03H Board Recommendation: If the Board's final recommendation is full reinstatement of the credential, modification of the suspension or limitation, or reinstatement of the credential subject to limitations or probation with terms and conditions, the Board's recommendation will be sent to the applicant by certified mail. The following information will be forwarded to the Director for a decision:

1. The written recommendation of the Board, including any finding of fact or order of the Board;
2. The application for reinstatement;
3. The record of hearing, if any; and
4. Any pleadings, motions, requests, preliminary or intermediate rulings and orders, and similar correspondence to or from the Board and the applicant.

162-008.03I Director's Review: The Director, upon receipt of the Board's recommendation for full reinstatement, modification, or probation, will review the application and other documents and make a decision within 150 days of receipt of

the Board's recommendation and accompanying documents. The Director will enter an order setting forth the decision. The Director may:

1. Affirm the recommendation of the Board and grant reinstatement; or
2. Reverse or modify the recommendation if the Board's recommendation is:
 - a. In excess of statutory authority;
 - b. Made upon unlawful procedure;
 - c. Unsupported by competent, material, and substantial evidence in view of the entire record; or
 - d. Arbitrary and capricious.

The order regarding reinstatement of the applicant's credential will be sent to the applicant by certified mail. The Director's decision may be appealed to District Court by any party to the decision. The appeal must be in accordance with the Administrative Procedure Act.

162-011 ADMINISTRATIVE PENALTY: The Department may assess an administrative penalty when evidence exists of practice without a credential to practice a profession or operate a business. Practice without a credential for the purpose of this regulation means practice:

1. Prior to the issuance of a credential;
2. Following the expiration of a credential; or
3. Prior to the reinstatement of a credential.

162-011.01 Evidence of Practice: The Department will consider any of the following conditions as prima facie evidence of practice without being credentialed:

1. The person admits to engaging in practice;
2. Staffing records or other reports from the employer of the person indicate that the person was engaged in practice;
3. Billing or payment records document the provision of service, care, or treatment by the person;
4. Service, care, or treatment records document the provision of service, care, or treatment by the person;
5. Appointment records indicate that the person was engaged in practice; and
6. The person opens a business or practice site and announces or advertises that the business or site is open to provide service, care, or treatment.

For purposes of this regulation, prima facie evidence means a fact presumed to be true unless disproved by some evidence to the contrary.

162-011.02 Penalty: The Department may assess an administrative penalty in the amount of \$10 per day, not to exceed a total of \$1,000 for practice without a credential. To assess the penalty, the Department will:

1. Provide written notice of the assessment to the person. The notice will specify:
 - a. The total amount of the administrative penalty;
 - b. The evidence on which the administrative penalty is based;

172 NAC 162

- c. That the person may request, in writing, a hearing to contest the assessment of an administrative penalty;
 - d. That the Department will within 30 days following receipt of payment of the administrative penalty, remit the penalty to the State Treasurer to be disposed of in accordance with Article VII, section 5 of the Constitution of Nebraska;
 - e. That an unpaid administrative penalty constitutes a debt to the State of Nebraska which may be collected in the manner of a lien foreclosure or sued for and recovered in a proper form of action in the name of the state in the District Court of the county in which the violator resides or owns property. The Department may also collect in such action attorney's fees and costs incurred directly in the collection of the administrative penalty; and
 - f. Failure to pay an administrative penalty may result in disciplinary action.
2. Send by certified mail, a written notice of the administrative penalty to the last known address of the person to whom the penalty is assessed.

162-11.03 Administrative Hearing: When a person contests the administrative penalty and requests a hearing, the Department will hold a hearing pursuant to the Administrative Procedure Act and 184 NAC 1, the Department's Rules of Practice and Procedure for Administrative Hearings.

162-012 FEES: Fees referred to in these regulations are set out in 172 NAC 2, unless otherwise specified.

These amended rules and regulations replace 172 NAC 162 Regulations Governing the Practice Respiratory Care, effective January 15, 2005.
