

TITLE 228 - DEPARTMENT OF LABOR

CHAPTER 37 - PERMANENT RIDES

001. This chapter is adopted pursuant to Neb. Rev. Stat. ' 48-1803.

002. A ride permanently erected in an amusement park shall be set on properly designed and constructed foundations or footings and secured to these footings in a manner to prevent shifting, tipping, swaying, or erratic motion. Cement, brick, or similar type blocks shall not be permitted.

003. The provision pertinent to erratic motion or sway does not apply to a ride designed to permit flotation characteristics or flexibility.

004. Use of wood shim blocks shall be kept to a minimum.

005. The area surrounding the ride shall be clear and kept free from trash and tripping hazards.

006. A daily inspection of the ride motion and footings shall be made.
