**008.03 Transfer.** An owner of a motor vehicle, trailer, semitrailer, or cabin trailer may make application to the county treasurer to have specialty license plates transferred to a motor vehicle, trailer, semitrailer, or cabin trailer other than the motor vehicle, trailer, semitrailer, or cabin trailer for which such license plates were originally purchased if such motor vehicle, trailer, semitrailer, or cabin trailer is owned by the owner of the specialty license plates.

**008.03A** The owner may have the unused portion of the specialty license plate fee credited to the other motor vehicle, trailer, semitrailer, or cabin trailer which will bear the specialty license plates at the rate of 8 1/3% for each full month left in the registration period.

**008.03B** Application for a transfer shall be accompanied by a fee of \$3.00.

**009 REVOCATION OF SPECIALTY LICENSE PLATES.** The Department may revoke the approval of an organization's specialty license plate if the total number of registered vehicles that obtained such plates is less than 500 within three years after receiving approval. The Department will determine the number of vehicles registered with such plates. If an individual owns a specialty license plate that has been revoked, the individual may use such plate until it expires.
