Title 163 - Nebraska Game and Parks Commission

Chapter 4 - Wildlife Regulations

004 Regulations governing the protection, conservation, and management of endangered and threatened wildlife species.

The following regulations are prescribed by the Game and Parks Commission, State of Nebraska in accordance with Neb. Rev. Stat. §§ 37-301, 37-801 through 37-811. For purposes of these regulations, unless context otherwise requires, the definitions found in Chapter 37, sections 202 through 247 of the Game Law, are used. These regulations are effective following enactment by the Commission, approval by the Attorney General and Governor, and when five days have elapsed since filing with the Secretary of State.
