

TITLE 237 - Nebraska Liquor Control Commission

Rule

Chapter 1 – Practice and Procedure

009 Classification of Alcoholic Liquor

- 009.01 For the purpose of determining the classification of Beer, Wine, or Spirits, the Nebraska Liquor Control Commission shall utilize the same classification of those products as determined by the Federal Government unless such classification is clearly contrary to the definitional clauses in Neb. Rev. Stat. Sec. 53-103. If anyone believes that the determination made by the Commission is in error they may request a declaratory ruling under Chapter 1 003.02.
