

APPENDIX

1. Make the following revisions to Rule 001, subsections 001.01, 001.02G, 001.02H, 001.03 and renumber existing subsections.

001 SCOPE, DEFINITIONS, AND STATE CODES:

001.01 Scope and Application: All rules, regulations, and orders of the Department of Health and Human Services Regulation and Licensure or its predecessor agency adopted prior to May 1, 1998, in connection with the powers, duties, and functions transferred to the Nebraska Public Service Commission under the Nebraska Uniform Standards for Modular housing Units Act, shall continue to be effective until revised, amended, repealed, or nullified pursuant to law.

001.02G Initial Package shall mean the materials required for submission to the Department by a manufacturer who plans to market or manufacture modular housing units in Nebraska and is applying for seals to put on them, based on a showing that its use of proposed plans and specifications will produce modular housing units which meet the applicable standards. Each initial package shall consist of:

001.02G1 Two copies of the compliance assurance manual (subsection 003.01B);

001.02G2 Two copies of the plans and specifications for each modular housing unit model (subsections 003.04);

001.02G3 A completed application for ~~Modular Housing Units - P~~ plan Approval Form ~~(MOD-01)~~ prescribed by the Commission;

001.02G4 A completed application for seals ~~(MOD-02)~~ on a form prescribed by the Commission; and

001.02G5 A check or money order for applicable fees.

~~001.02H Living unit shall mean any portion of a modular housing unit which contains living facilities including provisions for sleeping, eating, cooking, and sanitation for no more than one family.~~

001.03 Standards for Modular Housing Units: Except as provided by statute, the following standards are hereby adopted as the State of Nebraska Standards governing all the construction of and all the installation of plumbing, heating, and electrical systems in modular housing units.

001.03A INTERNATIONAL RESIDENTIAL CODE - ~~2000~~ 2009 EDITION, as published by the International Code Council, Inc., ~~5203~~ Leesburg Pike Suite 708, Falls Church, Virginia, ~~22041-3401~~ 500

002.07D Where applicable, identification of permissible type of gas for appliances.

002.07E Name and date of standards complied with.

002.07F State seal number.

002.07G Design loads.

002.07H Special conditions or limitations of the unit.

002.07I Date of manufacture.

002.07J Electrical Ratings - instructions and warnings on voltage, phase, size, and connections of units and grounding requirements.

002.07K Insulation Values.

3. Make the following revisions to Rule 003, subsection 003.01.

003 PLAN APPROVAL:

003.01 General Requirements: Applications, plans, and specifications, and other documentation shall be submitted as indicated below:

003.01A All plans and specifications of basic systems or variations thereof, including all elements relating to specific components and properly identified as relating to said components, shall be submitted in duplicate and accompanied by an application for review on a form supplied by the Commission. ~~The application form prescribed by the Commission shall be Attachment 1 (MOD-01).~~ When required by Nebraska Revised Statutes, §81-3401 to 81-3455, all plans and specifications submitted to the Commission shall be prepared only by persons who are registered as professional engineers and architects in Nebraska.

003.01B A compliance assurance manual (two copies each) shall be provided with index including but not limited to the following:

003.01B1 Standards: The manual shall identify which of the following standards are adhered to by the manufacturer as adopted by the State of Nebraska:

003.01B1a INTERNATIONAL RESIDENTIAL CODE, ~~2000~~ 2009 Edition.

003.01B1b INTERNATIONAL PLUMBING CODE, ~~2000~~ 2009 Edition.

003.01B1c INTERNATIONAL MECHANICAL CODE,  
~~2000~~ 2009 Edition.

003.01B1d NATIONAL ELECTRICAL CODE, adopted  
by the Nebraska State Electrical Board.

003.01B1e INTERNATIONAL FUEL GAS CODE, ~~2000~~  
2009 Edition.

003.01B1f INTERNATIONAL BUILDING CODE, ~~2000~~  
2009 Edition.

4. Make the following revisions to Rule 004, subsections 004.01, 004.02, 004.04, 004.05 and renumber existing subsections.

004 COMPLIANCE ASSURANCE QUALITY CONTROL PROGRAM:

004.01 General: ~~The compliance assurance program consists of an application form MOD-01 (Attachment 1) and a compliance assurance manual.~~ It shall be the manufacturer's responsibility to execute every aspect of ~~this~~ the compliance assurance program. The manufacturer shall continue to be responsible for all corrective actions required. Each manufacturer must obtain approval of ~~his~~ their compliance assurance program from the Commission.

004.02 Requirements of Manufacturer: The manufacturer of modular housing units shall submit the following, at a minimum, in duplicate:

004.02D A statement identifying who is responsible directly, or by means of ~~his~~ an agent, for timely and effective performance of service and repairs related to code compliance.

004.04 Initial and Monitoring In-Plant Inspection by Inspection Agencies:

004.04A Initial In-Plant Inspection: Once a manufacturer's compliance assurance manual and plans have been approved, the inspection agency shall perform the initial inspection. The initial inspection shall consist of the inspection agency making a station-by-station thorough evaluation of the manufacturer's operation to assure that the manufacturer is operating in accordance with the criteria set forth in the previously approved compliance assurance manual and plans. In so doing, the inspection agency shall utilize the in-plant inspection checklist specified in Subsection 004.03.

If the manufacturer during the initial inspection is found to be producing units in accordance with the approved compliance assurance manual and plans, the inspection agency shall notify the manufacturer, in writing, with a copy being forwarded to the Nebraska Public Service Commission.

The notification letter to the manufacturer from the inspection agency shall be ~~in the following form~~ signed by an authorized agent of the inspection agency and shall include the following:

~~This is to notify that \_\_\_\_\_  
\_\_\_\_\_ Name of Inspector(s)  
representing \_\_\_\_\_ on

~~can produce modular housing units in conformance with Nebraska's  
standards for modular housing units.~~

004.04A1 Name of inspection agency.

004.04A2 Name of inspector(s).

004.04A3 Date(s) inspection was performed.

004.04A4 Name and address of manufacturer.

004.04A5 Statement from the inspection agency stating  
"A thorough, complete and station-by-station inspection  
and evaluation of the manufacturer's construction and  
inspection process was performed in conformance with  
its approved plans and compliance assurance manual and  
Nebraska's standards for modular housing units, and the  
inspection agency is satisfied that the manufacturer  
can produce modular housing units in conformance with  
Nebraska standards for modular housing units on an on-  
going basis."

004.04A6 Signed and dated by an authorized agent of  
the inspection agency.

004.04B If the initial inspection reveals deviations from the  
previously approved compliance assurance manual and plans, the  
inspection agency shall notify the manufacturer, in writing, of  
deviations, specifying in detail the observed deviations. A  
copy of this letter shall be sent to the Nebraska Public Service  
Commission. Upon notification from the plant that the specified  
deviations have been corrected, the inspection agency shall

again make an initial inspection of the plant following the procedure previously outlined in ~~this~~ section 004.04A.

004.04BC Monitoring In-Plant Inspections: Following notification to a manufacturer under Part 004.04A, the inspection agency shall undertake monitoring in-plant inspections at a frequency sufficient to inspect every home that will receive the Nebraska modular housing unit seal and to assure continuing compliance with the manufacturer's compliance assurance program. Additional factors which the inspection agency shall take into consideration in determining frequency of monitoring in-plant inspections are as follows:

004.04BC1 Production Volume

004.04BC2 Design Complexity of Units

004.04BC3 The qualifications of the manufacturer's own in-house compliance control organization.

004.04BC4 The experience record of the manufacturer.

004.04D The ~~monitoring~~ in-plant inspection agency shall utilize the in-plant inspection check list in Subsection 004.03 to assure that each construction feature (structural, mechanical, plumbing, and electrical) is fully evaluated.

004.05 Seal Issuance: Upon satisfactory completion of the initial in-plant inspection and ~~the~~ notification letter issued to the manufacturer by the inspection agency, the manufacturer shall act in accordance with the provisions of Section 002.

5. Make the following revisions to Rule 005, subsection 005.01.

005.01 Fees for Seals: One seal is required per ~~living unit modular housing unit.~~ ~~A fee as established by the Commission of not less than eighty dollars (\$80) dollars and not more than four hundred dollars (\$400) per living unit shall be charged for each seal and issued by the Department.~~ A fee shall be charged for each seal issued by the Commission for a modular housing unit as established at least annually after public notice and hearing by the Commission.

6. Make the following revisions to Rule 006, subsection 006.01.

006.01 Procedure to Determine Reciprocity: The Commission shall amend ~~§ section~~ 006.02, and add to the reciprocity list a state, upon a showing that the standards, codes and enforcement practices are at least equal to or are more stringent than those established by the Commission. ~~Any affected person, may petition the Commission including any state, may initiate for an amendment process under the rule making procedures set out in 184 NAC 1, Rules of Practice and Procedure pursuant to the Rules of Commission Procedure as codified by state law and Nebraska Administrative Code, Title 291, Chapter 1. of the Nebraska Public Service Commission.~~ A modular housing unit which bears the seal of any state which has been placed on the reciprocity list shall not be required to bear the seal issued by this state.

7. Make the following revisions to Rule 007, subsection 007.02.

007.02 Hearings: Any hearings held before the Commission shall be governed by the Rules of Commission Procedure as codified by state law and Nebraska Administrative Code, Title 291, Chapter 1. ~~in accordance with the Administrative Procedures Act and the Rules of Commission Procedure of the Nebraska Public Service Commission, Title 291, Chapter 1.~~

8. Make the following revisions to Rule 008, subsection 008.01.

008.01 Ad Hoc Committee: The Commission shall utilize an ad hoc advisory committee of four (4) 4 members to review any proposed revisions to these rules. All ad hoc committee members shall be selected by the Commission and meet in person, ~~through~~ via video or telephone conference, ~~through telephone conference call,~~ or through any combination of the aforementioned methods as determined to be convenient to the Commission and the ad hoc committee members. The membership shall consist of, when possible, ~~of~~ no more than one person from each of the following groups (modular housing unit manufacturer, modular housing unit retailer, professional engineer or architect, city building official). Committee members are ineligible for expense reimbursement.

9. Delete the following Attachments in their entirety:
