SUPPLEMENTARY INSTRUCTIONS FOR USE OF FINGERPRINT CARDS

(To be distributed with all applications for private detective,
private detective agency, and plainclothes investigator licenses)

**Please note that the request for Social Security number found at the
center of the fingerprint form on the upper third of the page is optional.**

Federal law (the Privacy Act of 1974, Public Law 93-79) generally provides that it is illegal for any government entity to deprive any individual any right, privilege, or benefit due to the individual's failure to provide a Social Security number. Therefore, since the Secretary of State does not have specific legal authority to request a Social Security number for private detective licensing, the request for a Social Security number on the fingerprint card is optional.

**Failure to provide your Social Security number on the fingerprint form
will not affect your application for licensure.**

The Social Security number requested (if provided) is used to ease identification of individuals for the state and federal criminal history checks done on applicants through the use of the fingerprint cards.
