

35-004.09A Program Components: The program provides -

1. Community living skills and daily living skills development.
2. Client skills development for self-administration of medication, as well as recognition of signs of relapse and control of symptoms.
3. Skill building in the usage of public transportation and/or assistance in accessing suitable local transportation to and from the Psychiatric Residential Rehabilitation program.

35-004.09B Licensure Requirements: The program shall be licensed as a Residential Care Facility, Domiciliary, or Mental Health Center by the Department of Health and Human Services ~~Regulation and Licensure~~.

35-004.09C Staffing Requirements: The program must have the appropriate staff coverage to provide services for clients needing to remain in the residence during the day.

35-004.09D Bed Limitation: The maximum capacity for this facility shall not exceed 15 ~~eight~~ beds. ~~Waivers to a maximum of ten beds may be granted when it is determined to be in the best interests of clients. Facilities under contract with the Department of Health and Human Services prior to the promulgation of these regulations, whose capacity exceeds the ten-bed limitation, but which have no more than 15 beds, may be exempted from this requirement. There shall be no other waiver of this regulation over the ten-bed limitation.~~

35-004.09E Supportive Services: The program provides the following supportive services for all active clients: referrals, problem identification/solution, and coordination of the Residential Rehabilitation program with other services the client may be receiving.

35-005 Referrals for Rehabilitative Psychiatric Services: Referrals for Rehabilitative Psychiatric Services will be directed to the Department or its designee. The referral must include documentation that establishes:

1. The client's Medicaid eligibility; and
2. How the client meets the definition of serious and persistent mental illness specified in 471 NAC 35-001.01.

35-006 Eligibility for Rehabilitative Psychiatric Services: To be eligible for Rehabilitative Psychiatric Services, the client must be eligible for Medicaid, meet the definition of severe and persistent mental illness, and be authorized by the Department or its designee for specific services.

35-007 Service Needs Assessment and Rehabilitative Psychiatric Service Recommendations: All clients determined eligible for rehabilitative psychiatric services must be assessed and have rehabilitative psychiatric service recommendations developed by a referring provider according to specified protocols.
