Fish may be filleted prior to transport however the fillets must be kept in one piece until eaten so that bag and/or possession limits can be determined.

006.04 ~~BOW AND ARROW~~ ARCHERY FISHING

006.04A Inland waters are open to the taking of game fish by archery (bow and arrow and crossbow) from sunrise to sunset July 1 through December 31. The taking of nongame fish by ~~bow and arrow~~ archery is allowed from January 1 through December 31, twenty four hours per day.

006.04B Waters of the Missouri River are open to the taking of game fish by ~~bow and arrow~~ archery from sunrise to sunset July 1 through December 31 except for that portion from Gavins Point Dam downstream to a line that extends from the east end of the south cement wall of the discharge canal northwest to the east end of the north wall of the stilling basin during the archery paddlefish season (006.04G). Waters of the Missouri River are open to the taking of nongame fish by ~~bow and arrow~~ archery January 1 through December 31, twenty four hours per day, except for the portion from Gavins Point Dam downstream to a line that extends from the east end of the south cement wall of the discharge canal northwest to the east end of the north wall of the stilling basin during the archery paddlefish season (006.04G).

However, the use of crossbows is not allowed from the Gavins Point Dam downstream to the Highway 81 bridge for either game or nongame fish, except for qualified disabled persons as described in Section 006.04D.

006.04C It shall be unlawful to fish with an arrow that has more than one point which shall be barbed. Arrows shall be attached to a line from the bow at the time the arrow is released.

006.04D ~~It shall be unlawful to use any bow which is not drawn and held by hand. Except that a~~ Any person who has lost the use of an arm through amputation or lacks use of an arm through permanent impairment which renders the person incapable of drawing a long bow shall be permitted to use a crossbow or a bow

fitted with a draw lock type device to fish. The disabling condition described above must be verified in writing by a physician. The medical certificate shall be carried by permittee while fishing and a copy filed with the Fisheries Division of the Nebraska Game and Parks Commission.

006.04E The following Commission areas are closed to bow and arrow archery fishing: Platte River State Park and Mahoney State Park (Cass County). Closures to archery fishing at non-Commission owned areas are controlled by those respective entities.

006.04F PADDLEFISH: Paddlefish may be taken by bow and arrow archery and possessed on open waters of the Missouri River only during the season beginning on the second Saturday of July and running for thirty (30) consecutive days. Crossbows are only allowed downstream of the Highway 81 bridge except that qualified disabled persons as described in Section 006.04D may use crossbows above the Highway 81 bridge.

006.04G It shall be unlawful to take paddlefish by bow and arrow archery without the possession of a paddlefish permit and an open paddlefish tag in addition to a valid Nebraska fishing permit as required. Those anglers with a non-resident paddlefish permit must also possess a valid non-resident Nebraska fishing permit.

006.04G1 Applications: Anglers applying for a paddlefish permit must provide the following information: name, address, daytime telephone number, last four digits of their Social Security Number, date of birth, gender, hair color, eye color, height, and weight. Application forms to submit such information to the Commission are available at the Commission headquarters, at all District Offices, on the Commission website, and in the Fishing Guide. The first application period will run from 1 P.M. CDT April 1 to April 14. Mail applications must be received in the Lincoln office, Nebraska Game and Parks Commission, by 5 p.m. CDT on April 14; internet applications must be received by 11:59 p.m. CDT on April 14. If there are permits remaining after the first drawing, the remaining permits will be sold on a first-come, first-serve basis with sales starting at 1:00 p.m. CDT on the first working day of June.

006.04G2 Permits will be distributed to eligible applicants through a random drawing based on preference points earned.

006.04G3 Preference Points: Any eligible person who properly applies for and is denied a paddlefish permit during the first application period, beginning in 2007, shall receive a preference point, and one additional point shall be added or awarded for each year he or she is unsuccessful in the drawing. Such preference points shall be used to determine priority in the permit drawing, with persons having the most points receiving the greatest priority. If two applicants submit a joint application (buddy permit), priority will be given based on the lowest number of points possessed by either applicant. Any person who is issued a paddlefish permit shall lose all accumulated preference points and any person who does not apply at least once during five consecutive years shall lose all accumulated points.

006.04G4 An individual may not submit more than one application for an archery paddlefish permit during any archery paddlefish application period.

006.04G5 Two anglers may submit a joint application (buddy permit) but both must be either residents or non-residents. A resident cannot submit a joint application with a non-resident.

006.04G6 An individual must be 12 years old by the second Saturday of July to apply for an archery paddlefish permit.

006.04H A harvest quota will be managed by issuing a maximum of two-hundred seventy-five paddlefish permits with a limit of no more than two permits per person.

006.04H1 Ninety-five percent of the paddlefish permits available (rounded to the nearest whole number) will be reserved for residents. If the number of residents applying for permits exceeds the number of permits available, any of the five percent of the permits reserved for non-residents remaining after the first application period will be issued to resident anglers identified by the random draw.

006.04I Any paddlefish landed must be tagged immediately in the dorsal fin with the anglers tag. Any paddlefish tag that is

locked shut prior to attachment, altered, or modified shall be void and not be replaced.

006.04J After completion of the fishing trip and upon leaving the Missouri River, an angler can process harvested paddlefish down to two whole fillets. Both the closed paddlefish tag and permit would need to remain with the fillets.

006.04K Paddlefish may be taken by ~~bow and arrow~~ archery on waters of the Missouri River only on that portion downstream from the Gavins Point Dam to the mouth of the Big Sioux River at mile marker 734, except for a closed area immediately below Gavins Point Dam downstream to a line that extends from the east end of the south cement wall of the discharge canal northwest to the east end of the north wall of the stilling basin.

006.05 SURFACE WATER SPEARFISHING:

006.05A The entire state is open to the taking of nongame fish by surface spearing January 1 through December 31. The fishing hours shall be sunrise to sunset September 1 through March 31 and shall be unrestricted April 1 through August 31.

006.05A1 Any device used for surface spearing shall be barbed.

006.06 UNDERWATER SPEARFISHING:

006.06D It shall be unlawful to underwater spearfish within 100 yards (300 feet) of any designated swimming or water ski jump area, boat dock, boat ramp, or spillway.

006.06E Only hand spears, rubberband-powered spear guns, compressed air, and spring-loaded power spear guns are legal.

Spear guns may be attached to a float or buoy using any length of line.

006.06F All spears shall be attached to a shooting line with a maximum length of twenty feet.

006.06G The Divers Flag shall be displayed on the water on a float or buoy during any diving or underwater spearfishing. Any diver or underwater spear fisherman shall not exceed a distance of greater than 150 feet from his divers flag. The flag shall be square and not less than 12" square. The color shall be red background and with white diagonal stripe one-fifth of the flag width. The diagonal stripe shall extend from the top of the hoist to the bottom of the flag.

006.06H It is unlawful to display the Divers Flag when diving or underwater spearfishing is not in progress.

006.06I Recognition of this flag by regulation will not be construed as conferring any rights or privileges on its users nor be construed as restricting the use of the water so marked. Operators of boats shall exercise precaution commensurate with conditions indicated.

006.06J Underwater spearfishing regulations shall not apply to authorized agents of the Nebraska Game and Parks Commission when engaged in experimental studies or fish management projects.

006.06K Upon written approval of the Director, specified species and specified waters may be opened for a limited time to underwater spearfishing for special events, and for fish management purposes.

006.07 SET LINES, LIMB LINES AND ICE FISHING

JUG LINES shall be defined as any line not attached to the shoreline or pole.

SET LINES shall be defined as a long, heavy fishing line to which one to five hooks are attached in series.

LIMB LINES shall be defined as a fishing line attached to any trees or brush along a bank.

006.07A It shall be unlawful to use jug lines in any waters of the state.

006.07B It shall be unlawful to use set lines or limb lines in any pond, lake or reservoir.

006.07C The angler's name, address, fishing permit number and/or driver's license number shall be attached legibly to all limb and set lines.

006.07D It shall be unlawful to use more than five lines while ice fishing and it shall be unlawful to use more than two hooks on each line while ice fishing.

006.07E Each ice fishing line used must be under the direct supervision and within the unaided observation of the angler.

006.08 SNAGGING:

006.08A It shall be unlawful to take any fish by snagging fish externally by hook and line except that paddlefish and nongame fish in open waters of the Missouri River downstream from Gavins Point Dam to the mouth of the Big Sioux River at mile marker 734 except for a closed area immediately below Gavins Point Dam downstream to a line that extends from the east end of the south cement wall of the discharge canal northwest to the east end of the chalk point. The snagging season starts on October 1st and ends on October 31st with legal snagging hours running from 7:00 a.m. to 7:00 p.m. Any other game fish accidentally snagged must be returned to the water immediately.

006.08A1 Paddlefish harvested by snagging may be possessed only on that section of the Missouri River where paddlefish harvest is allowed during the open season.

006.08A2 Only one hook per line may be used when snagging. Hook size must be no larger than ½ inch from point to shank.

006.08A3 It shall be unlawful to use a gaff hook or other penetrating device while landing snagged paddlefish.

006.08B A harvest quota will be managed by issuing not more than one-thousand six hundred paddlefish permits with a limit of no more than two permits per person. If the number of applicants exceeds the number of permits allocated as authorized

by the Commission, successful applicants will be determined by a random draw.

006.08C All snaggers must obtain and have in their possession while fishing a paddlefish permit and an open paddlefish tag in addition to a valid Nebraska fishing permit to be actively snagging. Those anglers with a non-resident paddlefish permit must also possess a valid non-resident Nebraska fishing permit.

006.08C1 Applications: Anglers applying for a paddlefish permit must provide the following information: legal name, address, daytime telephone number, last four digits of their Social Security number, date of birth, gender, hair color, eye color, height, and weight. Application forms to submit such information to the Commission are available at the Commission headquarters, at all District Offices, on the Commission website, and in the Fishing Guide. The first application period will run from 1 P.M. CDT July 1 to July 14. Mail applications must be received in the Lincoln office, Nebraska Game and Parks Commission, by 5 p.m. CDT on July 14; internet applications must be received by 11:59 p.m. CDT on July 14. If there are permits remaining after the first drawing the remaining permits will be sold on a first-come, first-serve basis, with sales starting at 1:00 p.m. CDT on the first working day of September.

006.08C2 Permits will be distributed to eligible applicants through a random drawing based on preference points earned.

006.08C3 Preference points: Any eligible person who properly applies for and is denied a paddlefish permit during the first application period beginning in 2007 shall receive a preference point, and one additional point shall be added or awarded for each year he or she is unsuccessful in the drawing. Such preference points shall be used to determine priority in the permit drawing, with persons having the most points receiving the greatest priority. If two applicants submit a joint application (buddy permit), the priority will be given based on the lowest number of points possessed by either applicant. Any person who is issued a paddlefish permit shall lose all accumulated preference points, and any person who does not apply at least once during five consecutive years shall lose all accumulated points.

006.08C4 An individual may not submit more than one application for a paddlefish snagging permit during any paddlefish snagging application period.

006.08C5 Two anglers may submit a joint application (buddy permit) but both must be either residents or non-residents. A resident cannot submit a joint application with a non-resident.

006.08C6 An individual must be 12 years old by October 1 to apply for a paddlefish snagging permit.

006.08D Ninety-five percent of the paddlefish permits available will be reserved for residents. If the number of residents applying for permits exceeds the number of permits available, any of the five percent of the permits reserved for non-residents remaining after the application period, will be issued to resident anglers identified by the random draw.

006.08F A paddlefish must be tagged immediately in the dorsal fin upon addition to the creel with the anglers paddlefish tag. Any paddlefish tag that is locked shut prior to attachment, altered, or modified shall be void and not be replaced.

006.08F1 A snagger must cast for and hook their own fish.

006.08F2 After completion of the fishing trip and upon leaving the Missouri River, an angler can process the harvested paddlefish down to two whole fillets. Both the closed paddlefish tag and permit would need to remain with the fillets.

006.09 REFUGE LAKES:
