008.02 The notice shall be filed at least ten days prior to the commencement of the offering, except that the Director may waive this requirement for good cause shown.

008.03 An issuer shall not commence offering or selling such security until it has received written or electronic confirmation from the Department that its notice filing has been accepted by the Department.

008.04 The Director may require the filing of corrected or additional information if he or she deems it material to the offering.

008.05 If at any time while the offering is ongoing there is a material change that would affect the accuracy of the information contained in notice filing, the issuer shall file amended information within thirty days. The portal operator must deny an issuer access to its funding portal if the portal operator has a reasonable basis for believing that:

011.01A The issuer does not meet the requirements of Section 003, above, or the exemption is not available for the issuer pursuant to Section 004, above;

011.01B The issuer or any of its directors, executive officers, general partners, managing members, or other persons with management authority over the issuer, is subject to a disqualification under Section 005, above;

011.01C The issuer has engaged in, is engaging in, or the offering involves any act, practice, or course of business that will, directly or indirectly, operate as a fraud or deceit upon any person; or

011.01D It cannot adequately or effectively assess the risk of fraud by the issuer or its potential offering.

011.02 The portal operator shall establish and maintain, during the time that the offering appears on the funding portal, a secure method of communication through the funding portal itself that will permit potential and actual investors to communicate with one another and with representatives of the issuer about the offering. Further, the foregoing communications must be made visible and accessible, at all times during the time the offering appears on the qualified portal, to all those with access to the offering materials of issuer.

011.03 The portal operator shall obtain, either in writing or electronically, an affirmative declaration from a potential purchaser that the potential purchaser is a Nebraska resident before allowing such person any access to any information concerning an offering conducted pursuant to this subsection. In the event that portal operator has knowledge or reason to believe that a potential investor is not a Nebraska resident, the portal operator shall deny or revoke the potential investor's access to such information.

012.01B The maximum amount of the offering; and

014.01B An analysis by management of the issuer of the business operations and financial condition of the issuer.

014.02 The report shall be prepared and delivered no later than forty-five days after the end of each fiscal quarter.

014.03 In lieu of delivering a report to each investor, the issuer may post the report on a funding portal, subject to the following:

016 DISCLOSURE. Nothing in this Rule is intended to, or should be construed as, in any way relieving issuers or persons acting on behalf of issuers from providing to prospective investors disclosure adequate to satisfy the provisions of Section 8-1102(1) of the Act.

017 AVAILABILITY OF EXEMPTION.

017.01 Offers and sales which are exempt under this Rule may not be combined with offers and sales exempt under any other Rule or Section of the Act; however, nothing in this limitation shall act as an election. Should the offer and sale fail to comply with all of the conditions for this exemption, the issuer may claim the availability of any other applicable exemption.

017.02 The exemption is not available to any issuer with respect to any transaction which, although in technical compliance with this Rule, is part of a plan or scheme to evade registration or the conditions or limitations explicitly stated in this Rule.

018 BURDEN OF PROOF. In any proceeding involving this Rule, the burden of proving the exemption from registration is upon the person claiming the exemption.

Securities that are owned by persons who received the securities from a qualified purchaser as a gift or bequest, or in a case in which the transfer was caused by legal separation, divorce, death, or other involuntary event, shall be deemed to be owned by a qualified purchaser, subject to such rules, regulations, and orders as the Commission may prescribe as necessary or appropriate in the public interest or for the protection of investors.

(B) Notwithstanding subparagraph (A), an issuer is within the exception provided by this paragraph if—

(i) in addition to qualified purchasers, outstanding securities of that issuer are beneficially owned by not more than 100 persons who are not qualified purchasers, if—

(I) such persons acquired any portion of the securities of such issuer on or before September 1, 1996; and

(II) at the time at which such persons initially acquired the securities of such issuer, the issuer was excepted by paragraph (1); and

(ii) prior to availing itself of the exception provided by this paragraph—

(C) Each person that elects to redeem under subparagraph (B)(ii)(II) shall receive an amount in cash equal to that person's proportionate share of the issuer's net assets, unless the issuer elects to provide such person with the option of receiving, and such person agrees to receive, all or a portion of such person's share in assets of the issuer. If the issuer elects to provide such persons

with such an opportunity, disclosure concerning such opportunity shall be made in the disclosure required by subparagraph (B)(ii)(I).

(D) An issuer that is excepted under this paragraph shall nonetheless be deemed to be an investment company for purposes of the limitations set forth in subparagraphs (A)(i) and (B)(i) of section 80a-12(d)(1) of this title relating to the purchase or other acquisition by such issuer of any security issued by any registered investment company and the sale of any security issued by any registered open-end investment company to any such issuer.

Sec. 78m - Periodical and other reports

From the U.S. Government Publishing Office, www.gpo.gov**§78m. Periodical and other reports****(a) Reports by issuer of security; contents**

Every issuer of a security registered pursuant to section 78l of this title shall file with the Commission, in accordance with such rules and regulations as the Commission may prescribe as necessary or appropriate for the proper protection of investors and to insure fair dealing in the security—

(1) such information and documents (and such copies thereof) as the Commission shall require to keep reasonably current the information and documents required to be included in or filed with an application or registration statement filed pursuant to section 78l of this title, except that the Commission may not require the filing of any material contract wholly executed before July 1, 1962.

(2) such annual reports (and such copies thereof), certified if required by the rules and regulations of the Commission by independent public accountants, and such quarterly reports (and such copies thereof), as the Commission may prescribe.

Every issuer of a security registered on a national securities exchange shall also file a duplicate original of such information, documents, and reports with the exchange. In any registration statement, periodic report, or other reports to be filed with the Commission, an emerging growth company need not present selected financial data in accordance with section 229.301 of title 17, Code of Federal Regulations, for any period prior to the earliest audited period presented in connection with its first registration statement that became effective under this chapter or the Securities Act of 1933 [15 U.S.C. 77a et seq.] and, with respect to any such statement or reports, an emerging growth company may not be required to comply with any new or revised financial accounting standard until such date that a company that is not an issuer (as defined under section 7201 of this title) is required to comply with such new or revised accounting standard, if such standard applies to companies that are not issuers.

(b) Form of report; books, records, and internal accounting; directives

(1) The Commission may prescribe, in regard to reports made pursuant to this chapter, the form or forms in which the required information shall be set forth, the items or details to be shown in the balance sheet and the earnings statement, and the methods to be followed in the preparation of reports, in the appraisal or valuation of assets and liabilities, in the determination of depreciation and depletion, in the differentiation of recurring and nonrecurring income, in the differentiation of investment and operating income, and in the preparation, where the Commission deems it necessary or desirable, of separate and/or consolidated balance sheets or income accounts of any person directly or indirectly controlling or controlled by the issuer, or any person under direct or indirect common control with the issuer; but in the case of the reports of any person whose methods of accounting are prescribed under the provisions of any law of the United States, or any rule or regulation thereunder, the rules and regulations of the Commission with respect to reports shall not be inconsistent with the requirements imposed by such law or rule or regulation in respect of the same subject matter (except that such rules and regulations of the Commission may be inconsistent

with such requirements to the extent that the Commission determines that the public interest or the protection of investors so requires).

(2) Every issuer which has a class of securities registered pursuant to section 78l of this title and every issuer which is required to file reports pursuant to section 78o(d) of this title shall—

(A) make and keep books, records, and accounts, which, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the issuer;

(B) devise and maintain a system of internal accounting controls sufficient to provide reasonable assurances that—

(i) transactions are executed in accordance with management's general or specific authorization;

(ii) transactions are recorded as necessary (I) to permit preparation of financial statements in conformity with generally accepted accounting principles or any other criteria applicable to such statements, and (II) to maintain accountability for assets;

(iii) access to assets is permitted only in accordance with management's general or specific authorization; and

(iv) the recorded accountability for assets is compared with the existing assets at reasonable intervals and appropriate action is taken with respect to any differences; and

(C) notwithstanding any other provision of law, pay the allocable share of such issuer of a reasonable annual accounting support fee or fees, determined in accordance with section 7219 of this title.

(3)(A) With respect to matters concerning the national security of the United States, no duty or liability under paragraph (2) of this subsection shall be imposed upon any person acting in cooperation with the head of any Federal department or agency responsible for such matters if such act in cooperation with such head of a department or agency was done upon the specific, written directive of the head of such department or agency pursuant to Presidential authority to issue such directives. Each directive issued under this paragraph shall set forth the specific facts and circumstances with respect to which the provisions of this paragraph are to be invoked. Each such directive shall, unless renewed in writing, expire one year after the date of issuance.

(B) Each head of a Federal department or agency of the United States who issues a directive pursuant to this paragraph shall maintain a complete file of all such directives and shall, on October 1 of each year, transmit a summary of matters covered by such directives in force at any time during the previous year to the Permanent Select Committee on Intelligence of the House of Representatives and the Select Committee on Intelligence of the Senate.

(4) No criminal liability shall be imposed for failing to comply with the requirements of paragraph (2) of this subsection except as provided in paragraph (5) of this subsection.

(5) No person shall knowingly circumvent or knowingly fail to implement a system of internal accounting controls or knowingly falsify any book, record, or account described in paragraph (2).

(6) Where an issuer which has a class of securities registered pursuant to section 78l of this title or an issuer which is required to file reports pursuant to section 78o(d) of this title holds 50 per centum or less of the voting power with respect to a domestic or foreign firm, the provisions of paragraph (2) require only that the issuer proceed in good faith to use its influence, to the extent reasonable under the issuer's circumstances, to cause such domestic or foreign firm to devise and maintain a system of internal accounting controls consistent with paragraph (2). Such circumstances include the relative degree of the issuer's ownership of the domestic or foreign firm and the laws and practices governing the business operations of the country in which such firm is located. An issuer which demonstrates good faith efforts to use such influence shall be conclusively presumed to have complied with the requirements of paragraph (2).

(7) For the purpose of paragraph (2) of this subsection, the terms "reasonable assurances" and "reasonable detail" mean such level of detail and degree of assurance as would satisfy prudent officials in the conduct of their own affairs.

(c) Alternative reports

If in the judgment of the Commission any report required under subsection (a) of this section is inapplicable to any specified class or classes of issuers, the Commission shall require in lieu thereof the submission of such reports of comparable character as it may deem applicable to such class or classes of issuers.

(d) Reports by persons acquiring more than five per centum of certain classes of securities

(1) Any person who, after acquiring directly or indirectly the beneficial ownership of any equity security of a class which is registered pursuant to section 78l of this title, or any equity security of an insurance company which would have been required to be so registered except for the exemption contained in section 78l(g)(2)(G) of this title, or any equity security issued by a closed-end investment company registered under the Investment Company Act of 1940 [15 U.S.C. 80a-1 et seq.] or any equity security issued by a Native Corporation pursuant to section 1629c(d)(6) of title 43, or otherwise becomes or is deemed to become a beneficial owner of any of the foregoing upon the purchase or sale of a security-based swap that the Commission may define by rule, and is directly or indirectly the beneficial owner of more than 5 per centum of such class shall, within ten days after such acquisition or within such shorter time as the Commission may establish by rule, file with the Commission, a statement containing such of the following information, and such additional information, as the Commission may by rules and regulations, prescribe as necessary or appropriate in the public interest or for the protection of investors—

(C) if the purpose of the purchases or prospective purchases is to acquire control of the business of the issuer of the securities, any plans or proposals which such persons may have to liquidate such issuer, to sell its assets to or merge it with any other persons, or to make any other major change in its business or corporate structure;

(D) the number of shares of such security which are beneficially owned, and the number of shares concerning which there is a right to acquire, directly or indirectly, by (i) such person, and (ii) by each associate of such person, giving the background, identity, residence, and citizenship of each such associate; and

(E) information as to any contracts, arrangements, or understandings with any person with respect to any securities of the issuer, including but not limited to transfer of any of the securities, joint ventures, loan or option arrangements, puts or calls, guaranties of loans, guaranties against loss or guaranties of profits, division of losses or profits, or the giving or withholding of proxies, naming the persons with whom such contracts, arrangements, or understandings have been entered into, and giving the details thereof.

(2) If any material change occurs in the facts set forth in the statement filed with the Commission, an amendment shall be filed with the Commission, in accordance with such rules and regulations as

the Commission may prescribe as necessary or appropriate in the public interest or for the protection of investors.

(3) When two or more persons act as a partnership, limited partnership, syndicate, or other group for the purpose of acquiring, holding, or disposing of securities of an issuer, such syndicate or group shall be deemed a "person" for the purposes of this subsection.

(4) In determining, for purposes of this subsection, any percentage of a class of any security, such class shall be deemed to consist of the amount of the outstanding securities of such class, exclusive of any securities of such class held by or for the account of the issuer or a subsidiary of the issuer.

(5) The Commission, by rule or regulation or by order, may permit any person to file in lieu of the statement required by paragraph (1) of this subsection or the rules and regulations thereunder, a notice stating the name of such person, the number of shares of any equity securities subject to paragraph (1) which are owned by him, the date of their acquisition and such other information as the Commission may specify, if it appears to the Commission that such securities were acquired by such person in the ordinary course of his business and were not acquired for the purpose of and do not have the effect of changing or influencing the control of the issuer nor in connection with or as a participant in any transaction having such purpose or effect.

(6) The provisions of this subsection shall not apply to—

(A) any acquisition or offer to acquire securities made or proposed to be made by means of a registration statement under the Securities Act of 1933 [15 U.S.C. 77a et seq.];

(C) any acquisition of an equity security by the issuer of such security;

(D) any acquisition or proposed acquisition of a security which the Commission, by rules or regulations or by order, shall exempt from the provisions of this subsection as not entered into for the purpose of, and not having the effect of, changing or influencing the control of the issuer or otherwise as not comprehended within the purposes of this subsection.

(e) Purchase of securities by issuer

(1) It shall be unlawful for an issuer which has a class of equity securities registered pursuant to section 781 of this title, or which is a closed-end investment company registered under the Investment Company Act of 1940 [15 U.S.C. 80a-1 et seq.], to purchase any equity security issued by it if such purchase is in contravention of such rules and regulations as the Commission, in the public interest or for the protection of investors, may adopt (A) to define acts and practices which are fraudulent, deceptive, or manipulative, and (B) to prescribe means reasonably designed to prevent such acts and practices. Such rules and regulations may require such issuer to provide holders of equity securities of such class with such information relating to the reasons for such purchase, the source of funds, the number of shares to be purchased, the price to be paid for such securities, the method of purchase, and such additional information, as the Commission deems necessary or appropriate in the public interest or for the protection of investors, or which the Commission deems to be material to a determination whether such security should be sold.

(2) For the purpose of this subsection, a purchase by or for the issuer or any person controlling, controlled by, or under common control with the issuer, or a purchase subject to control of the issuer or any such person, shall be deemed to be a purchase by the issuer. The Commission shall have power to make rules and regulations implementing this paragraph in the public interest and for the protection of investors, including exemptive rules and regulations covering situations in which the Commission deems it unnecessary or inappropriate that a purchase of the type described in this paragraph shall be deemed to be a purchase by the issuer for purposes of some or all of the provisions of paragraph (1) of this subsection.

(3) At the time of filing such statement as the Commission may require by rule pursuant to paragraph (1) of this subsection, the person making the filing shall pay to the Commission a fee at a rate that, subject to paragraph (4), is equal to \$92 per \$1,000,000 of the value of securities proposed

to be purchased. The fee shall be reduced with respect to securities in an amount equal to any fee paid with respect to any securities issued in connection with the proposed transaction under section 6 (b) of the Securities Act of 1933 [15 U.S.C. 77f(b)], or the fee paid under that section shall be reduced in an amount equal to the fee paid to the Commission in connection with such transaction under this paragraph.

(4) ANNUAL ADJUSTMENT.—For each fiscal year, the Commission shall by order adjust the rate required by paragraph (3) for such fiscal year to a rate that is equal to the rate (expressed in dollars per million) that is applicable under section 6(b) of the Securities Act of 1933 [15 U.S.C. 77f(b)] for such fiscal year.

(5) FEE COLLECTIONS.—Fees collected pursuant to this subsection for fiscal year 2012 and each fiscal year thereafter shall be deposited and credited as general revenue of the Treasury and shall not be available for obligation.

(6) EFFECTIVE DATE; PUBLICATION.—In exercising its authority under this subsection, the Commission shall not be required to comply with the provisions of section 553 of title 5. An adjusted rate prescribed under paragraph (4) shall be published and take effect in accordance with section 6(b) of the Securities Act of 1933 (15 U.S.C. 77f(b)).

(7) PRO RATA APPLICATION.—The rates per \$1,000,000 required by this subsection shall be applied pro rata to amounts and balances of less than \$1,000,000.

(f) Reports by institutional investment managers

(1) Every institutional investment manager which uses the mails, or any means or instrumentality of interstate commerce in the course of its business as an institutional investment manager and which exercises investment discretion with respect to accounts holding equity securities of a class described in subsection (d)(1) of this section or otherwise becomes or is deemed to become a beneficial owner of any security of a class described in subsection (d)(1) upon the purchase or sale of a security-based swap that the Commission may define by rule, having an aggregate fair market value on the last trading day in any of the preceding twelve months of at least \$100,000,000 or such lesser amount (but in no case less than \$10,000,000) as the Commission, by rule, may determine, shall file reports with the Commission in such form, for such periods, and at such times after the end of such periods as the Commission, by rule, may prescribe, but in no event shall such reports be filed for periods longer than one year or shorter than one quarter. Such reports shall include for each such equity security held on the last day of the reporting period by accounts (in aggregate or by type as the Commission, by rule, may prescribe) with respect to which the institutional investment manager exercises investment discretion (other than securities held in amounts which the Commission, by rule, determines to be insignificant for purposes of this subsection), the name of the issuer and the title, class, CUSIP number, number of shares or principal amount, and aggregate fair market value of each such security. Such reports may also include for accounts (in aggregate or by type) with respect to which the institutional investment manager exercises investment discretion such of the following information as the Commission, by rule, prescribes—

(C) the number of shares of each equity security of a class described in subsection (d)(1) of this section held on the last day of the reporting period by such accounts with respect to which the institutional investment manager possesses sole or shared authority to exercise the voting rights evidenced by such securities;

(D) the aggregate purchases and aggregate sales during the reporting period of each security (other than an exempted security) effected by or for such accounts; and

(E) with respect to any transaction or series of transactions having a market value of at least \$500,000 or such other amount as the Commission, by rule, may determine, effected during the

reporting period by or for such accounts in any equity security of a class described in subsection (d)(1) of this section—

- (i) the name of the issuer and the title, class, and CUSIP number of the security;
- (ii) the number of shares or principal amount of the security involved in the transaction;
- (iii) whether the transaction was a purchase or sale;
- (iv) the per share price or prices at which the transaction was effected;

- (vi) the date or dates of the settlement of the transaction;
- (vii) the broker or dealer through whom the transaction was effected;
- (viii) the market or markets in which the transaction was effected; and
- (ix) such other related information as the Commission, by rule, may prescribe.

(2) The Commission shall prescribe rules providing for the public disclosure of the name of the issuer and the title, class, CUSIP number, aggregate amount of the number of short sales of each security, and any additional information determined by the Commission following the end of the reporting period. At a minimum, such public disclosure shall occur every month.

(3) The Commission, by rule, or order, may exempt, conditionally or unconditionally, any institutional investment manager or security or any class of institutional investment managers or securities from any or all of the provisions of this subsection or the rules thereunder.

(4) The Commission shall make available to the public for a reasonable fee a list of all equity securities of a class described in subsection (d)(1) of this section, updated no less frequently than reports are required to be filed pursuant to paragraph (1) of this subsection. The Commission shall tabulate the information contained in any report filed pursuant to this subsection in a manner which will, in the view of the Commission, maximize the usefulness of the information to other Federal and State authorities and the public. Promptly after the filing of any such report, the Commission shall make the information contained therein conveniently available to the public for a reasonable fee in such form as the Commission, by rule, may prescribe, except that the Commission, as it determines to be necessary or appropriate in the public interest or for the protection of investors, may delay or prevent public disclosure of any such information in accordance with section 552 of title 5. Notwithstanding the preceding sentence, any such information identifying the securities held by the account of a natural person or an estate or trust (other than a business trust or investment company) shall not be disclosed to the public.

(5) In exercising its authority under this subsection, the Commission shall determine (and so state) that its action is necessary or appropriate in the public interest and for the protection of investors or to maintain fair and orderly markets or, in granting an exemption, that its action is consistent with the protection of investors and the purposes of this subsection. In exercising such authority the Commission shall take such steps as are within its power, including consulting with the Comptroller General of the United States, the Director of the Office of Management and Budget, the appropriate regulatory agencies, Federal and State authorities which, directly or indirectly, require reports from institutional investment managers of information substantially similar to that called for by this subsection, national securities exchanges, and registered securities associations, (A) to achieve uniform, centralized reporting of information concerning the securities holdings of and transactions by or for accounts with respect to which institutional investment managers exercise investment discretion, and (B) consistently with the objective set forth in the preceding subparagraph, to avoid unnecessarily duplicative reporting by, and minimize the compliance burden on, institutional investment managers. Federal authorities which, directly or indirectly, require reports from institutional investment managers of information substantially similar to that called for by this subsection shall cooperate with the Commission in the performance of its responsibilities under the preceding sentence. An institutional investment manager which is a bank, the deposits of which are insured in accordance with the Federal Deposit Insurance Act [12 U.S.C. 1811 et seq.], shall file with

the appropriate regulatory agency a copy of every report filed with the Commission pursuant to this subsection.

(6)(A) For purposes of this subsection the term "institutional investment manager" includes any person, other than a natural person, investing in or buying and selling securities for its own account, and any person exercising investment discretion with respect to the account of any other person.

(B) The Commission shall adopt such rules as it deems necessary or appropriate to prevent duplicative reporting pursuant to this subsection by two or more institutional investment managers exercising investment discretion with respect to the same amount.¹

(g) Statement of equity security ownership

(1) Any person who is directly or indirectly the beneficial owner of more than 5 per centum of any security of a class described in subsection (d)(1) of this section or otherwise becomes or is deemed to become a beneficial owner of any security of a class described in subsection (d)(1) upon the purchase or sale of a security-based swap that the Commission may define by rule shall file with the Commission a statement setting forth, in such form and at such time as the Commission may, by rule, prescribe—

(A) such person's identity, residence, and citizenship; and

(2) If any material change occurs in the facts set forth in the statement filed with the Commission, an amendment shall be filed with the Commission, in accordance with such rules and regulations as the Commission may prescribe as necessary or appropriate in the public interest or for the protection of investors.

(3) When two or more persons act as a partnership, limited partnership, syndicate, or other group for the purpose of acquiring, holding, or disposing of securities of an issuer, such syndicate or group shall be deemed a "person" for the purposes of this subsection.

(4) In determining, for purposes of this subsection, any percentage of a class of any security, such class shall be deemed to consist of the amount of the outstanding securities of such class, exclusive of any securities of such class held by or for the account of the issuer or a subsidiary of the issuer.

(5) In exercising its authority under this subsection, the Commission shall take such steps as it deems necessary or appropriate in the public interest or for the protection of investors (A) to achieve centralized reporting of information regarding ownership, (B) to avoid unnecessarily duplicative reporting by and minimize the compliance burden on persons required to report, and (C) to tabulate and promptly make available the information contained in any report filed pursuant to this subsection in a manner which will, in the view of the Commission, maximize the usefulness of the information to other Federal and State agencies and the public.

(6) The Commission may, by rule or order, exempt, in whole or in part, any person or class of persons from any or all of the reporting requirements of this subsection as it deems necessary or appropriate in the public interest or for the protection of investors.

(h) Large trader reporting

(1) Identification requirements for large traders

For the purpose of monitoring the impact on the securities markets of securities transactions involving a substantial volume or a large fair market value or exercise value and for the purpose of otherwise assisting the Commission in the enforcement of this chapter, each large trader shall—

Title 15 - COMMERCE AND TRADE

CHAPTER 2B - SECURITIES EXCHANGES

Sec. 78o - Registration and regulation of brokers and dealers

From the U.S. Government Publishing Office, www.gpo.gov**§78o. Registration and regulation of brokers and dealers****(a) Registration of all persons utilizing exchange facilities to effect transactions; exemptions**

(1) It shall be unlawful for any broker or dealer which is either a person other than a natural person or a natural person not associated with a broker or dealer which is a person other than a natural person (other than such a broker or dealer whose business is exclusively intrastate and who does not make use of any facility of a national securities exchange) to make use of the mails or any means or instrumentality of interstate commerce to effect any transactions in, or to induce or attempt to induce the purchase or sale of, any security (other than an exempted security or commercial paper, bankers' acceptances, or commercial bills) unless such broker or dealer is registered in accordance with subsection (b) of this section.

(2) The Commission, by rule or order, as it deems consistent with the public interest and the protection of investors, may conditionally or unconditionally exempt from paragraph (1) of this subsection any broker or dealer or class of brokers or dealers specified in such rule or order.

(b) Manner of registration of brokers and dealers

(1) A broker or dealer may be registered by filing with the Commission an application for registration in such form and containing such information and documents concerning such broker or dealer and any persons associated with such broker or dealer as the Commission, by rule, may prescribe as necessary or appropriate in the public interest or for the protection of investors. Within forty-five days of the date of the filing of such application (or within such longer period as to which the applicant consents), the Commission shall—

(A) by order grant registration, or

(B) institute proceedings to determine whether registration should be denied. Such proceedings shall include notice of the grounds for denial under consideration and opportunity for hearing and shall be concluded within one hundred twenty days of the date of the filing of the application for registration. At the conclusion of such proceedings, the Commission, by order, shall grant or deny such registration. The Commission may extend the time for conclusion of such proceedings for up to ninety days if it finds good cause for such extension and publishes its reasons for so finding or for such longer period as to which the applicant consents.

The Commission shall grant such registration if the Commission finds that the requirements of this section are satisfied. The order granting registration shall not be effective until such broker or dealer has become a member of a registered securities association, or until such broker or dealer has become a member of a national securities exchange, if such broker or dealer effects transactions solely on that exchange, unless the Commission has exempted such broker or dealer, by rule or order, from such membership. The Commission shall deny such registration if it does not make such a finding or if it finds that if the applicant were so registered, its registration would be subject to suspension or revocation under paragraph (4) of this subsection.

(2)(A) An application for registration of a broker or dealer to be formed or organized may be made by a broker or dealer to which the broker or dealer to be formed or organized is to be the successor. Such application, in such form as the Commission, by rule, may prescribe, shall contain such information and documents concerning the applicant, the successor, and any persons associated with

the applicant or the successor, as the Commission, by rule, may prescribe as necessary or appropriate in the public interest or for the protection of investors. The grant or denial of registration to such an applicant shall be in accordance with the procedures set forth in paragraph (1) of this subsection. If the Commission grants such registration, the registration shall terminate on the forty-fifth day after the effective date thereof, unless prior thereto the successor shall, in accordance with such rules and regulations as the Commission may prescribe, adopt the application for registration as its own.

(B) Any person who is a broker or dealer solely by reason of acting as a municipal securities dealer or municipal securities broker, who so acts through a separately identifiable department or division, and who so acted in such a manner on June 4, 1975, may, in accordance with such terms and conditions as the Commission, by rule, prescribes as necessary and appropriate in the public interest and for the protection of investors, register such separately identifiable department or division in accordance with this subsection. If any such department or division is so registered, the department or division and not such person himself shall be the broker or dealer for purposes of this chapter.

(C) Within six months of the date of the granting of registration to a broker or dealer, the Commission, or upon the authorization and direction of the Commission, a registered securities association or national securities exchange of which such broker or dealer is a member, shall conduct an inspection of the broker or dealer to determine whether it is operating in conformity with the provisions of this chapter and the rules and regulations thereunder: *Provided, however,* That the Commission may delay such inspection of any class of brokers or dealers for a period not to exceed six months.

(3) Any provision of this chapter (other than section 78e of this title and subsection (a) of this section) which prohibits any act, practice, or course of business if the mails or any means or instrumentality of interstate commerce is used in connection therewith shall also prohibit any such act, practice, or course of business by any registered broker or dealer or any person acting on behalf of such a broker or dealer, irrespective of any use of the mails or any means or instrumentality of interstate commerce in connection therewith.

(4) The Commission, by order, shall censure, place limitations on the activities, functions, or operations of, suspend for a period not exceeding twelve months, or revoke the registration of any broker or dealer if it finds, on the record after notice and opportunity for hearing, that such censure, placing of limitations, suspension, or revocation is in the public interest and that such broker or dealer, whether prior or subsequent to becoming such, or any person associated with such broker or dealer, whether prior or subsequent to becoming so associated—

(A) has willfully made or caused to be made in any application for registration or report required to be filed with the Commission or with any other appropriate regulatory agency under this chapter, or in any proceeding before the Commission with respect to registration, any statement which was at the time and in the light of the circumstances under which it was made false or misleading with respect to any material fact, or has omitted to state in any such application or report any material fact which is required to be stated therein.

For the purposes of this subparagraph (E) no person shall be deemed to have failed reasonably to supervise any other person, if—

(ii) constitutes a final order based on violations of any laws or regulations that prohibit fraudulent, manipulative, or deceptive conduct.

(5) Pending final determination whether any registration under this subsection shall be revoked, the Commission, by order, may suspend such registration, if such suspension appears to the Commission, after notice and opportunity for hearing, to be necessary or appropriate in the public interest or for the protection of investors. Any registered broker or dealer may, upon such terms and conditions as the Commission deems necessary or appropriate in the public interest or for the protection of investors, withdraw from registration by filing a written notice of withdrawal with the Commission. If the Commission finds that any registered broker or dealer is no longer in existence or has ceased to do business as a broker or dealer, the Commission, by order, shall cancel the registration of such broker or dealer.

(i) has committed or omitted any act, or is subject to an order or finding, enumerated in subparagraph (A), (D), or (E) of paragraph (4) of this subsection;

(ii) has been convicted of any offense specified in subparagraph (B) of such paragraph (4) within 10 years of the commencement of the proceedings under this paragraph; or

(iii) is enjoined from any action, conduct, or practice specified in subparagraph (C) of such paragraph (4).

(B) It shall be unlawful—

(i) for any person as to whom an order under subparagraph (A) is in effect, without the consent of the Commission, willfully to become, or to be, associated with a broker or dealer in contravention of such order, or to participate in an offering of penny stock in contravention of such order;

(ii) for any broker or dealer to permit such a person, without the consent of the Commission, to become or remain, a person associated with the broker or dealer in contravention of such order, if such broker or dealer knew, or in the exercise of reasonable care should have known, of such order; or

(iii) for any broker or dealer to permit such a person, without the consent of the Commission, to participate in an offering of penny stock in contravention of such order, if such broker or dealer knew, or in the exercise of reasonable care should have known, of such order and of such participation.

(C) For purposes of this paragraph, the term "person participating in an offering of penny stock" includes any person acting as any promoter, finder, consultant, agent, or other person who engages in activities with a broker, dealer, or issuer for purposes of the issuance or trading in any penny stock, or inducing or attempting to induce the purchase or sale of any penny stock. The Commission may, by rule or regulation, define such term to include other activities, and may, by rule, regulation, or order, exempt any person or class of persons, in whole or in part, conditionally or unconditionally, from such term.

(7) No registered broker or dealer or government securities broker or government securities dealer registered (or required to register) under section 78o-5(a)(1)(A) of this title shall effect any transaction in, or induce the purchase or sale of, any security unless such broker or dealer meets such standards of operational capability and such broker or dealer and all natural persons associated with such broker or dealer meet such standards of training, experience, competence, and such other qualifications as the Commission finds necessary or appropriate in the public interest or for the protection of investors. The Commission shall establish such standards by rules and regulations, which may—

(A) specify that all or any portion of such standards shall be applicable to any class of brokers and dealers and persons associated with brokers and dealers;

(B) require persons in any such class to pass tests prescribed in accordance with such rules and regulations, which tests shall, with respect to any class of partners, officers, or supervisory employees (which latter term may be defined by the Commission's rules and regulations and as so defined shall include branch managers of brokers or dealers) engaged in the management of the broker or dealer, include questions relating to bookkeeping, accounting, internal control over cash and securities, supervision of employees, maintenance of records, and other appropriate matters; and

(C) provide that persons in any such class other than brokers and dealers and partners, officers, and supervisory employees of brokers or dealers, may be qualified solely on the basis of compliance with such standards of training and such other qualifications as the Commission finds appropriate.

The Commission, by rule, may prescribe reasonable fees and charges to defray its costs in carrying out this paragraph, including, but not limited to, fees for any test administered by it or under its direction. The Commission may cooperate with registered securities associations and national securities exchanges in devising and administering tests and may require registered brokers and dealers and persons associated with such brokers and dealers to pass tests administered by or on behalf of any such association or exchange and to pay such association or exchange reasonable fees or charges to defray the costs incurred by such association or exchange in administering such tests.

(8) It shall be unlawful for any registered broker or dealer to effect any transaction in, or induce or attempt to induce the purchase or sale of, any security (other than or² commercial paper, bankers'

acceptances, or commercial bills), unless such broker or dealer is a member of a securities association registered pursuant to section 78o-3 of this title or effects transactions in securities solely on a national securities exchange of which it is a member.

(9) The Commission by rule or order, as it deems consistent with the public interest and the protection of investors, may conditionally or unconditionally exempt from paragraph (8) of this subsection any broker or dealer or class of brokers or dealers specified in such rule or order.

(10) For the purposes of determining whether a person is subject to a statutory disqualification under section 78f(c)(2), 78o-3(g)(2), or 78q-1(b)(4)(A) of this title, the term "Commission" in paragraph (4)(B) of this subsection shall mean "exchange", "association", or "clearing agency", respectively.

(11) **BROKER/DEALER REGISTRATION WITH RESPECT TO TRANSACTIONS IN SECURITY FUTURES PRODUCTS.—**

(A) **NOTICE REGISTRATION.—**

(i) **CONTENTS OF NOTICE.—**Notwithstanding paragraphs (1) and (2), a broker or dealer required to register only because it effects transactions in security futures products on an exchange registered pursuant to section 78f(g) of this title may register for purposes of this section by filing with the Commission a written notice in such form and containing such information concerning such broker or dealer and any persons associated with such broker or dealer as the Commission, by rule, may prescribe as necessary or appropriate in the public interest or for the protection of investors. A broker or dealer may not register under this paragraph unless that broker or dealer is a member of a national securities association registered under section 78o-3(k) of this title.

(ii) **IMMEDIATE EFFECTIVENESS.—**Such registration shall be effective contemporaneously with the submission of notice, in written or electronic form, to the Commission, except that such registration shall not be effective if the registration would be subject to suspension or revocation under paragraph (4).

(iii) **SUSPENSION.—**Such registration shall be suspended immediately if a national securities association registered pursuant to section 78o-3(k) of this title suspends the membership of that broker or dealer.

(iv) **TERMINATION.—**Such registration shall be terminated immediately if any of the above stated conditions for registration set forth in this paragraph are no longer satisfied.

(i) Section 78h of this title.

(ii) Section 78k of this title.

(iii) Subsections (c)(3) and (c)(5) of this section.

(iv) Section 78o-4 of this title.

(v) Section 78o-5 of this title.

(vi) Subsections (d), (e), (f), (g), (h), and (i)² of section 78q of this title.

(12) **EXEMPTION FOR SECURITY FUTURES PRODUCT EXCHANGE MEMBERS.—**

(A) **REGISTRATION EXEMPTION.—**A natural person shall be exempt from the registration requirements of this section if such person—

(i) is a member of a designated contract market registered with the Commission as an exchange pursuant to section 78f(g) of this title;

(ii) effects transactions only in securities on the exchange of which such person is a member; and

(iii) does not directly accept or solicit orders from public customers or provide advice to public customers in connection with the trading of security futures products.

(B) OTHER EXEMPTIONS.—A natural person exempt from registration pursuant to subparagraph (A) shall also be exempt from the following provisions of this chapter and the rules thereunder:

- (i) Section 78h of this title.
- (ii) Section 78k of this title.
- (iii) Subsections (c)(3), (c)(5), and (e) of this section.
- (iv) Section 78o-4 of this title.
- (v) Section 78o-5 of this title.
- (vi) Subsections (d), (e), (f), (g), (h), and (i)³ of section 78q of this title.

(c) Use of manipulative or deceptive devices; contravention of rules and regulations

(1)(A) No broker or dealer shall make use of the mails or any means or instrumentality of interstate commerce to effect any transaction in, or to induce or attempt to induce the purchase or sale of, any security (other than commercial paper, bankers' acceptances, or commercial bills), or any security-based swap agreement by means of any manipulative, deceptive, or other fraudulent device or contrivance.

(B) No broker, dealer, or municipal securities dealer shall make use of the mails or any means or instrumentality of interstate commerce to effect any transaction in, or to induce or attempt to induce the purchase or sale of, any municipal security or any security-based swap agreement involving a municipal security by means of any manipulative, deceptive, or other fraudulent device or contrivance.

(C) No government securities broker or government securities dealer shall make use of the mails or any means or instrumentality of interstate commerce to effect any transaction in, or to induce or to attempt to induce the purchase or sale of, any government security or any security-based swap agreement involving a government security by means of any manipulative, deceptive, or other fraudulent device or contrivance.

(2)(A) No broker or dealer shall make use of the mails or any means or instrumentality of interstate commerce to effect any transaction in, or to induce or attempt to induce the purchase or sale of, any security (other than an exempted security or commercial paper, bankers' acceptances, or commercial bills) otherwise than on a national securities exchange of which it is a member, in connection with which such broker or dealer engages in any fraudulent, deceptive, or manipulative act or practice, or makes any fictitious quotation.

(B) No broker, dealer, or municipal securities dealer shall make use of the mails or any means or instrumentality of interstate commerce to effect any transaction in, or to induce or attempt to induce the purchase or sale of, any municipal security in connection with which such broker, dealer, or municipal securities dealer engages in any fraudulent, deceptive, or manipulative act or practice, or makes any fictitious quotation.

(C) No government securities broker or government securities dealer shall make use of the mails or any means or instrumentality of interstate commerce to effect any transaction in, or induce or attempt to induce the purchase or sale of, any government security in connection with which such government securities broker or government securities dealer engages in any fraudulent, deceptive, or manipulative act or practice, or makes any fictitious quotation.

(D) The Commission shall, for the purposes of this paragraph, by rules and regulations define, and prescribe means reasonably designed to prevent, such acts and practices as are fraudulent, deceptive, or manipulative and such quotations as are fictitious.

(E) The Commission shall, prior to adopting any rule or regulation under subparagraph (C), consult with and consider the views of the Secretary of the Treasury and each appropriate regulatory agency. If the Secretary of the Treasury or any appropriate regulatory agency comments in writing on a proposed rule or regulation of the Commission under such subparagraph (C) that has been published for comment, the Commission shall respond in writing to such written comment before adopting the proposed rule. If the Secretary of the Treasury determines, and notifies the Commission,

that such rule or regulation, if implemented, would, or as applied does (i) adversely affect the liquidity or efficiency of the market for government securities; or (ii) impose any burden on competition not necessary or appropriate in furtherance of the purposes of this section, the Commission shall, prior to adopting the proposed rule or regulation, find that such rule or regulation is necessary and appropriate in furtherance of the purposes of this section notwithstanding the Secretary's determination.

(3)(A) No broker or dealer (other than a government securities broker or government securities dealer, except a registered broker or dealer) shall make use of the mails or any means or instrumentality of interstate commerce to effect any transaction in, or to induce or attempt to induce the purchase or sale of, any security (other than an exempted security (except a government security) or commercial paper, bankers' acceptances, or commercial bills) in contravention of such rules and regulations as the Commission shall prescribe as necessary or appropriate in the public interest or for the protection of investors to provide safeguards with respect to the financial responsibility and related practices of brokers and dealers including, but not limited to, the acceptance of custody and use of customers' securities and the carrying and use of customers' deposits or credit balances. Such rules and regulations shall (A) require the maintenance of reserves with respect to customers' deposits or credit balances, and (B) no later than September 1, 1975, establish minimum financial responsibility requirements for all brokers and dealers.

(B) Consistent with this chapter, the Commission, in consultation with the Commodity Futures Trading Commission, shall issue such rules, regulations, or orders as are necessary to avoid duplicative or conflicting regulations applicable to any broker or dealer registered with the Commission pursuant to subsection (b) of this section (except paragraph (1) thereof), that is also registered with the Commodity Futures Trading Commission pursuant to section 4f(a) of the Commodity Exchange Act [7 U.S.C. 6f(a)] (except paragraph (2) thereof), with respect to the application of: (i) the provisions of section 78h of this title, subsection (c)(3) of this section, and section 78q of this title and the rules and regulations thereunder related to the treatment of customer funds, securities, or property, maintenance of books and records, financial reporting, or other financial responsibility rules, involving security futures products; and (ii) similar provisions of the Commodity Exchange Act [7 U.S.C. 1 et seq.] and rules and regulations thereunder involving security futures products.

(C) Notwithstanding any provision of sections 2(a)(1)(C)(i) or 4d(a)(2) of the Commodity Exchange Act [7 U.S.C. 2(a)(1)(C)(i), 6d(a)(2)] and the rules and regulations thereunder, and pursuant to an exemption granted by the Commission under section 78mm of this title or pursuant to a rule or regulation, cash and securities may be held by a broker or dealer registered pursuant to subsection (b)(1) and also registered as a futures commission merchant pursuant to section 4f(a)(1) of the Commodity Exchange Act [7 U.S.C. 6f(a)(1)], in a portfolio margining account carried as a futures account subject to section 4d of the Commodity Exchange Act [7 U.S.C. 6d] and the rules and regulations thereunder, pursuant to a portfolio margining program approved by the Commodity Futures Trading Commission, and subject to subchapter IV of chapter 7 of title 11 and the rules and regulations thereunder. The Commission shall consult with the Commodity Futures Trading Commission to adopt rules to ensure that such transactions and accounts are subject to comparable requirements to the extent practicable for similar products.

(4) If the Commission finds, after notice and opportunity for a hearing, that any person subject to the provisions of section 78l, 78m, 78n of this title or subsection (d) of this section or any rule or regulation thereunder has failed to comply with any such provision, rule, or regulation in any material respect, the Commission may publish its findings and issue an order requiring such person, and any person who was a cause of the failure to comply due to an act or omission the person knew or should have known would contribute to the failure to comply, to comply, or to take steps to effect compliance, with such provision or such rule or regulation thereunder upon such terms and conditions and within such time as the Commission may specify in such order.

(5) No dealer (other than a specialist registered on a national securities exchange) acting in the capacity of market maker or otherwise shall make use of the mails or any means or instrumentality of interstate commerce to effect any transaction in, or to induce or attempt to induce the purchase or sale of, any security (other than an exempted security or a municipal security) in contravention of such specified and appropriate standards with respect to dealing as the Commission, by rule, shall prescribe as necessary or appropriate in the public interest and for the protection of investors, to maintain fair and orderly markets, or to remove impediments to and perfect the mechanism of a national market system. Under the rules of the Commission a dealer in a security may be prohibited from acting as a broker in that security.

(6) No broker or dealer shall make use of the mails or any means or instrumentality of interstate commerce to effect any transaction in, or to induce or attempt to induce the purchase or sale of, any security (other than an exempted security, municipal security, commercial paper, bankers' acceptances, or commercial bills) in contravention of such rules and regulations as the Commission shall prescribe as necessary or appropriate in the public interest and for the protection of investors or to perfect or remove impediments to a national system for the prompt and accurate clearance and settlement of securities transactions, with respect to the time and method of, and the form and format of documents used in connection with, making settlements of and payments for transactions in securities, making transfers and deliveries of securities, and closing accounts. Nothing in this paragraph shall be construed (A) to affect the authority of the Board of Governors of the Federal Reserve System, pursuant to section 78g of this title, to prescribe rules and regulations for the purpose of preventing the excessive use of credit for the purchase or carrying of securities, or (B) to authorize the Commission to prescribe rules or regulations for such purpose.

The duty to file under this subsection shall be automatically suspended if and so long as any issue of securities of such issuer is registered pursuant to section 78l of this title. The duty to file under this subsection shall also be automatically suspended as to any fiscal year, other than the fiscal year within which such registration statement became effective, if, at the beginning of such fiscal year, the securities of each class, other than any class of asset-backed securities, to which the registration statement relates are held of record by less than 300 persons, or, in the case of bank⁴ or a bank holding company, as such term is defined in section 1841 of title 12, 1,200 persons persons.¹ For the purposes of this subsection, the term "class" shall be construed to include all securities of an issuer which are of substantially similar character and the holders of which enjoy substantially similar

(3) Commission rules relating to disclosure

The Commission shall adopt rules setting forth additional standards for the disclosure by brokers and dealers to customers of information concerning transactions in penny stocks. Such rules—

Subparagraph (A) does not apply with respect to the examination and enforcement of any law, rule, regulation, or administrative action of a State or political subdivision thereof in which the principal place of business of a registered funding portal is located, provided that such law, rule, regulation, or administrative action is not in addition to or different from the requirements for registered funding portals established by the Commission.

(j) ⁵ Rulemaking to extend requirements to new hybrid products

(1) Consultation

Prior to commencing a rulemaking under this subsection, the Commission shall consult with and seek the concurrence of the Board concerning the imposition of broker or dealer registration requirements with respect to any new hybrid product. In developing and promulgating rules under this subsection, the Commission shall consider the views of the Board, including views with respect to the nature of the new hybrid product; the history, purpose, extent, and appropriateness of the regulation of the new product under the Federal banking laws; and the impact of the proposed rule on the banking industry.

(2) Limitation

The Commission shall not—

(A) require a bank to register as a broker or dealer under this section because the bank engages in any transaction in, or buys or sells, a new hybrid product; or

(B) bring an action against a bank for a failure to comply with a requirement described in subparagraph (A),

unless the Commission has imposed such requirement by rule or regulation issued in accordance with this section.

(3) Criteria for rulemaking

The Commission shall not impose a requirement under paragraph (2) of this subsection with respect to any new hybrid product unless the Commission determines that—

(A) the new hybrid product is a security; and

(B) imposing such requirement is necessary and appropriate in the public interest and for the protection of investors.

(4) Considerations

In making a determination under paragraph (3), the Commission shall consider—

(A) the nature of the new hybrid product; and

(B) the history, purpose, extent, and appropriateness of the regulation of the new hybrid product under the Federal securities laws and under the Federal banking laws.

(5) Objection to Commission regulation

(A) Filing of petition for review

The Board may obtain review of any final regulation described in paragraph (2) in the United States Court of Appeals for the District of Columbia Circuit by filing in such court, not later than 60 days after the date of publication of the final regulation, a written petition requesting that the regulation be set aside. Any proceeding to challenge any such rule shall be expedited by the Court of Appeals.

(B) Transmittal of petition and record

A copy of a petition described in subparagraph (A) shall be transmitted as soon as possible by the Clerk of the Court to an officer or employee of the Commission designated for that purpose. Upon receipt of the petition, the Commission shall file with the court the regulation under review and any documents referred to therein, and any other relevant materials prescribed by the court.

(C) Exclusive jurisdiction

On the date of the filing of the petition under subparagraph (A), the court has jurisdiction, which becomes exclusive on the filing of the materials set forth in subparagraph (B), to affirm and enforce or to set aside the regulation at issue.

(D) Standard of review

The court shall determine to affirm and enforce or set aside a regulation of the Commission under this subsection, based on the determination of the court as to whether—

- (i) the subject product is a new hybrid product, as defined in this subsection;
- (ii) the subject product is a security; and
- (iii) imposing a requirement to register as a broker or dealer for banks engaging in transactions in such product is appropriate in light of the history, purpose, and extent of regulation under the Federal securities laws and under the Federal banking laws, giving deference neither to the views of the Commission nor the Board.

(E) Judicial stay

The filing of a petition by the Board pursuant to subparagraph (A) shall operate as a judicial stay, until the date on which the determination of the court is final (including any appeal of such determination).

Any aggrieved party may seek judicial review of the Commission's rulemaking under this subsection pursuant to section 78y of this title.

(6) Definitions

For purposes of this subsection:

The authority of the Commission under this section with respect to security-based swap agreements shall be subject to the restrictions and limitations of section 78c-1(b) of this title.

(k) ⁶ Registration or succession to a United States broker or dealer

In determining whether to permit a foreign person or an affiliate of a foreign person to register as a United States broker or dealer, or succeed to the registration of a United States broker or dealer, the Commission may consider whether, for a foreign person, or an affiliate of a foreign person that presents a risk to the stability of the United States financial system, the home country of the foreign person has adopted, or made demonstrable progress toward adopting, an appropriate system of financial regulation to mitigate such risk.

(l) ⁷ Termination of a United States broker or dealer

For a foreign person or an affiliate of a foreign person that presents such a risk to the stability of the United States financial system, the Commission may determine to terminate the registration of such foreign person or an affiliate of such foreign person as a broker or dealer in the United States, if the Commission determines that the home country of the foreign person has not adopted, or made demonstrable progress toward adopting, an appropriate system of financial regulation to mitigate such risk.

(k) ⁸ Standard of conduct**(1) In general**

Notwithstanding any other provision of this chapter or the Investment Advisers Act of 1940 [15 U.S.C. 80b-1 et seq.], the Commission may promulgate rules to provide that, with respect to a broker or dealer, when providing personalized investment advice about securities to a retail customer (and such other customers as the Commission may by rule provide), the standard of conduct for such broker or dealer with respect to such customer shall be the same as the standard of conduct applicable to an investment adviser under section 211 of the Investment Advisers Act of 1940 [15 U.S.C. 80b-11]. The receipt of compensation based on commission or other standard compensation for the sale of securities shall not, in and of itself, be considered a violation of such standard applied to a broker or dealer. Nothing in this section shall require a broker or dealer or registered representative to have a continuing duty of care or loyalty to the customer after providing personalized investment advice about securities.

(2) Disclosure of range of products offered

Where a broker or dealer sells only proprietary or other limited range of products, as determined by the Commission, the Commission may by rule require that such broker or dealer provide notice to each retail customer and obtain the consent or acknowledgment of the customer. The sale of only proprietary or other limited range of products by a broker or dealer shall not, in and of itself, be considered a violation of the standard set forth in paragraph (1).

(l) ² Other matters

The Commission shall—

(1) facilitate the provision of simple and clear disclosures to investors regarding the terms of their relationships with brokers, dealers, and investment advisers, including any material conflicts of interest; and

(2) examine and, where appropriate, promulgate rules prohibiting or restricting certain sales practices, conflicts of interest, and compensation schemes for brokers, dealers, and investment advisers that the Commission deems contrary to the public interest and the protection of investors.

(m) Harmonization of enforcement

The enforcement authority of the Commission with respect to violations of the standard of conduct applicable to a broker or dealer providing personalized investment advice about securities to a retail customer shall include—

- (1) the enforcement authority of the Commission with respect to such violations provided under this chapter; and
- (2) the enforcement authority of the Commission with respect to violations of the standard of conduct applicable to an investment adviser under the Investment Advisers Act of 1940 [15 U.S.C. 80b-1 et seq.], including the authority to impose sanctions for such violations, and

the Commission shall seek to prosecute and sanction violators of the standard of conduct applicable to a broker or dealer providing personalized investment advice about securities to a retail customer under this chapter to ¹⁰ same extent as the Commission prosecutes and sanctions violators of the standard of conduct applicable to an investment adviser under the Investment Advisers Act of 1940 [15 U.S.C. 80b-1 et seq.].

(n) Disclosures to retail investors

(1) In general

Notwithstanding any other provision of the securities laws, the Commission may issue rules designating documents or information that shall be provided by a broker or dealer to a retail investor before the purchase of an investment product or service by the retail investor.

(2) Considerations

In developing any rules under paragraph (1), the Commission shall consider whether the rules will promote investor protection, efficiency, competition, and capital formation.

(3) Form and contents of documents and information

Any documents or information designated under a rule promulgated under paragraph (1) shall—

- (A) be in a summary format; and
- (B) contain clear and concise information about—
 - (i) investment objectives, strategies, costs, and risks; and
 - (ii) any compensation or other financial incentive received by a broker, dealer, or other intermediary in connection with the purchase of retail investment products.

(o) Authority to restrict mandatory pre-dispute arbitration

The Commission, by rule, may prohibit, or impose conditions or limitations on the use of, agreements that require customers or clients of any broker, dealer, or municipal securities dealer to arbitrate any future dispute between them arising under the Federal securities laws, the rules and regulations thereunder, or the rules of a self-regulatory organization if it finds that such prohibition, imposition of conditions, or limitations are in the public interest and for the protection of investors. (b) *Conditions to be met in offerings subject to limitation on manner of offering—(1) General conditions.* To qualify for an exemption under this section, offers and sales must satisfy all the terms and conditions of §§230.501 and 230.502.

(2) *Specific conditions—(i) Limitation on number of purchasers.* There are no more than or the issuer reasonably believes that there are no more than 35 purchasers of securities from the issuer in any offering under this section.

NOTE TO PARAGRAPH (b)(2)(i): See §230.501(e) for the calculation of the number of purchasers and §230.502(a) for what may or may not constitute an offering under paragraph (b) of this section.

(ii) *Nature of purchasers.* Each purchaser who is not an accredited investor either alone or with his purchaser representative(s) has such knowledge and experience in financial and business matters that he is capable of evaluating the merits and risks of the prospective investment, or the issuer reasonably believes immediately prior to making any sale that such purchaser comes within this description.

(ii) *Verification of accredited investor status.* The issuer shall take reasonable steps to verify that purchasers of securities sold in any offering under paragraph (c) of this section are accredited investors. The issuer shall be deemed to take reasonable steps to verify if the issuer uses, at its option, one of the following non-exclusive and non-mandatory methods of verifying that a natural person who purchases securities in such offering is an accredited investor; provided, however, that the issuer does not have knowledge that such person is not an accredited investor:

(A) In regard to whether the purchaser is an accredited investor on the basis of income, reviewing any Internal Revenue Service form that reports the purchaser's income for the two most recent years (including, but not limited to, Form W-2, Form 1099, Schedule K-1 to Form 1065, and Form 1040) and obtaining a written representation from the purchaser that he or she has a reasonable expectation of reaching the income level necessary to qualify as an accredited investor during the current year;

Instructions to paragraph (c)(2)(ii)(A) through (D) of this section:

1. The issuer is not required to use any of these methods in verifying the accredited investor status of natural persons who are purchasers. These methods are examples of the types of non-exclusive and non-mandatory methods that satisfy the verification requirement in §230.506(c)(2)(ii).

2. In the case of a person who qualifies as an accredited investor based on joint income with that person's spouse, the issuer would be deemed to satisfy the verification requirement in §230.506(c)(2)(ii)(A) by reviewing copies of Internal Revenue Service forms that report income for the two most recent years in regard to, and obtaining written representations from, both the person and the spouse.

3. In the case of a person who qualifies as an accredited investor based on joint net worth with that person's spouse, the issuer would be deemed to satisfy the verification requirement in §230.506(c)(2)(ii)(B) by reviewing such documentation in regard to, and obtaining written representations from, both the person and the spouse.

(iv) If the issuer establishes that it did not know and, in the exercise of reasonable care, could not have known that a disqualification existed under paragraph (d)(1) of this section.

Instruction to paragraph (d)(2)(iv). An issuer will not be able to establish that it has exercised reasonable care unless it has made, in light of the circumstances, factual inquiry into whether any disqualifications exist. The nature and scope of the factual inquiry will vary based on the facts and circumstances concerning, among other things, the issuer and the other offering participants.

(3) For purposes of paragraph (d)(1) of this section, events relating to any affiliated issuer that occurred before the affiliation arose will be not considered disqualifying if the affiliated entity is not:

The failure to furnish such information timely shall not prevent an issuer from relying on this section if the issuer establishes that it did not know and, in the exercise of reasonable care, could not have known of the existence of the undisclosed matter or matters.

Instruction to paragraph (e). An issuer will not be able to establish that it has exercised reasonable care unless it has made, in light of the circumstances, factual inquiry into whether any disqualifications exist. The nature and scope of the factual inquiry will vary based on the facts and circumstances concerning, among other things, the issuer and the other offering participants.
